Any Day Above Ground... Thoughts On Life, Death, After-Life, And The Built-In God Dr. Frederick G. Weiss, 2022-08-01 This book is about the appreciation of life yours and God's Most people want to go to heaven They believe it's very nice there and it sure beats the alternative Old age brings pain trials and tribulations and heaven would be a relief Besides that's where God is On the contrary I argue that there is plenty of heaven and hell right here on earth It is said that war is hell and we've had plenty of that to say nothing of disease or injury Heaven has been compared to being with the one you love as I have argued in this book Life matters We should recognize and appreciate any day above ground but because of selfishness and ingratitude sins against God we take everything for granted I have a chapter on where is God Surprise God is here in us and throughout His creation God lives in us and in all He creates In human terms everything depends on what we do with Him Because God is here I conclude there is no after life no heaven or hell That is a creation of religion not reason All God's efforts are oriented toward Freedom That's what history with all its blood sweat and tears shows us and its fullest realization is America

Meatsplaining Jason Hannan, 2020-10-01 The animal agriculture industry like other profit driven industries aggressively seeks to shield itself from public scrutiny To that end it uses a distinct set of rhetorical strategies to deflect criticism These tactics are fundamental to modern animal agriculture but have long evaded critical analysis In this collection academic and activist contributors investigate the many forms of denialism perpetuated by the animal agriculture industry What strategies does the industry use to avoid questions about its inhumane treatment of animals and its impact on the environment and public health What narratives myths and fantasies does it promote to sustain its image in the public imagination powerful timely and essential David Nibert author of Animal Oppression and Human Violence Domestecration Capitalism and Global Conflict Meatsplaining equips us to identify the lies at the heart of animal agriculture It's an excellent and timely compilation on an exceedingly vexing problem Carol J Adams author of The Sexual Politics of Meat and Burger Meatsplaining is the first book to give an apt name to the animal agriculture industry's relentless campaign of disinformation and denialism Written in a clear lively and accessible style Meatsplaining will surely educate the public about the horrors of animal agriculture Marc Bekoff author of The Animals Agenda Freedom Compassion and Coexistence in the Human Age Cruelty thrives in secrecy and the meat industry is highly skilled at concealing the routine abuse and misery that flourishes on modern farms Meatsplaining cuts through the spin and exposes the meat industry's massive PR machine It explores how Big Meat uses language obfuscation and denial to misdirect the public's attention away from its commodification of sentient animals environmental devastation and the looming health crisis caused by eating animals This book is a must read for animal advocates and anyone else who no longer wants to be lied to Camille Labchuk Executive Director Animal Justice This book provides a necessary corrective to the fantasy world created by meat industry propaganda As we grapple with a global zoonotic pandemic and

biodiversity crisis it is urgent for us to start thinking clearly about who and what is on our plates John Sorenson Brock University

Reflections from the Heart Martha A. Scott, 2013-08-05 This book of poems takes a fresh look at common everyday occurrences The author noted for her keen observations of even the simplest things such as acorns laying scattered across a road paints a picture in the reader's mind that brings the poems to life With these vivid images in mind an emotional chord is struck between the reader and the author as she shares special moments that have touched her heart The poems range from the light hearted subjects of the antics of the author's beloved pets to more reflective topics as in the need for nature conservation or thoughts about living life that is true to one's self and to the needs of others This book touches the inner core of all of us and is a fun and sometimes thought provoking collection of poems In a day and age where life is so technologically oriented and fast paced it is nice to know that the art of poetry still exists where the beauty and play of words can touch people and make them smile

The Bond Simon McCartney, 2016-10-18 In 1977 Jack Roberts a California Stone Master and experienced young alpinist met Simon McCartney a highly motivated 22 year old Brit who had cut his teeth climbing in Europe with some of the most respected mountaineers of the time Over the next three years the pair enjoyed a magical partnership during which they completed two of the boldest and most audacious climbs in the history of Alaskan alpinism Then McCartney disappeared from the climbing scene entirely emerging now nearly 40 years later to tell the story The north face of Mount Huntington is one of the most dangerous walls in the Alaska Range and Denali's southwest face is one of the largest and most technically difficult Roberts and McCartney made the first ascents of both eschewing any notion of fixed ropes or siege tactics With success as their only option they got themselves to the foot of these

faces with the bare minimum of gear and simply started climbing The ascent of Mount Huntington's north face was made in the summer of 1978 that of Denali's southwest face in 1980 These two legendary climbs created a stir at the time and a flurry of controversy and criticism followed the Denali climb Years later some people went so far as to suggest that the Huntington climb was a fake Jack Roberts passed away in 2012 without telling his side of the story publicly The Bond told primarily via McCartney's first person narrative and augmented by extracts from the diaries of Roberts and others shares for the first time the experience of these two challenging climbs and the strong bond forged between the two climbers It is in short the quintessential climbing story and the stuff of Legends and Lore *Chicken Soup for the Soul: A Book of Christmas Miracles* Amy Newmark, 2017-10-17 Compilation of 101 stories about holiday miracles and joy from Chicken Soup for the Soul's library of past books **Chicken Soup for the Soul: The Dog Really Did That?** Amy Newmark, 2017-08-08 Our dogs make us smile every day but some days they really outdo themselves This book is full of those hilarious and heartwarming stories about the many ways our mischevious canine companions surprise us make us laugh and touch our hearts
