Highway 80: A Drive-through Alabama's Civil Rights Corridor - 6th Edition Robert O. White II, 2022-09-26      *Some Early Alabama Churches* Daughters of the American Revolution. Alabama Society, 1973      *Civil Wars, Civil Beings, and Civil Rights in Alabama's Black Belt* Bertis D. English, 2020-10-06 Reconstruction politics and race relations between freed blacks and the white establishment in Perry County Alabama In his fascinating in depth study Bertis D English analyzes why Perry County situated in the heart of a violence prone subregion of Alabama enjoyed more peaceful race relations and less bloodshed than several neighboring counties Choosing an atypical locality as central to his study English raises questions about factors affecting ethnic disturbances in the Black Belt and elsewhere in Alabama He also uses Perry County which he deems an anomalous county to caution against the tendency of some scholars to make sweeping generalizations about entire regions and subregions English contends Perry County was a relatively tranquil place with a set of extremely influential African American businessmen clergy politicians and other leaders during Reconstruction Together with egalitarian or opportunistic white citizens they headed a successful campaign for black agency and biracial cooperation that few counties in Alabama matched English also illustrates how a significant number of educational institutions a high density of African American residents and an unusually organized and informed African American population were essential factors in forming Perry County s character He likewise traces the development of religion in Perry the nineteenth century Baptist capital of Alabama and the emergence of civil rights in Perry an underemphasized center of activism during the twentieth century This well researched and comprehensive volume illuminates Perry County s history from the various perspectives of its black interracial and white inhabitants amplifying their own voices in a novel way The narrative includes rich personal details about ordinary and affluent people both free and unfree creating a distinctive resource that will be useful to scholars as well as a reference that will serve the needs of students and general readers      *Some Early Alabama Churches (established Before 1870)*. Scott Connell, 2020-11-30 Worship is dialogue It is more than that but it is not less than that The way Baptists have worshiped for three and a half centuries demonstrates this consistently in spite of their penchant for freedom and autonomy No one tells Baptists how to order their worship services They don't have a common liturgy that they must follow and yet their services look remarkably similar This is largely due to two controlling factors in their worship The Bible that they embrace as inspired inerrant authoritative and sufficient and the Christ revealing gospel that is contained within its pages When the word of God is followed closely a shape for worship order begins to emerge It is the same gospel shape that is found throughout the Bible When the word of God is applied to a worship service in which God and his people are engaged in a worship conversation a consistent contour of gospel elements and content begins to emerge that reveals the glory of the Christ we gather to worship He is so glorious that when we behold him we are transformed into the same image from one degree to another This is the power of corporate worship 2 Cor 3 **Montevallo** Clark Hultquist, Carey Heatherly, 2011 Montevallo a mountain in a valley This bucolic natural phrase aptly describes the beauty of this central Alabama town Early settlers were drawn to the area by its abundant agricultural and mineral resources and in 1826 the tiny village of Montevallo was born The nature of the town changed significantly in 1896 with the founding of the Alabama Girls Industrial School now the University of Montevallo The Olmsted Brothers firm of Brookline Massachusetts laid out the central campus and its master plan still inspires current development Since 1896 the focus of the town has shifted from agriculture and mining to education The university's mission is to be Alabama's Public Liberal Arts College Prominent figures include writer and veteran E B Sledge actresses Polly Holiday and Rebecca Luker and Major League Baseball player Rusty Greer **The Family Tree Sourcebook** Family Tree Editors, 2010-09-20 The one book every genealogist must have Whether you're just getting started in genealogy or you're a research veteran The Family Tree Sourcebook provides you with the information you need to trace your roots across the United States including Research summaries tips and techniques with maps for every U S state Detailed county level data essential for unlocking the wealth of records hidden in the county courthouse Websites and contact information for libraries archives and genealogical and historical societies Bibliographies for each state to help you further your research You'll love having this trove of information to guide you to the family history treasures in state and county repositories It's all at your fingertips in an easy to use format and it's from the trusted experts at Family Tree Magazine **Non-Muslims in the Early Islamic Empire** Milka Levy-Rubin, 2011-09-30 The Muslim conquest of the East in the seventh century entailed the subjugation of Christians Jews Zoroastrians and others Although much has been written about the status of non Muslims in the Islamic empire no previous works have examined how the rules applying to minorities were formulated Milka Levy Rubin
