Devotional Poems of the heart Dr. Stewart Snook,2011-11-04 This book is a collection of personal and devotional poems They come from the author s heart They reflect what is meaningful to him Each poem is like a piece of the life God gave me The slice of life that God gives is worth recording Each poem brings out some of the practical truths of the Christian life which the reader may apply to daily life Many of these poems often came to me when I remembered some phrase or saying that my parents or grandparents used The poems follow this order first some favorite poems that I like Then come poems on my personal life my family life and making decisions Then follow poems about special friends teachers and co workers Finally I conclude with some poems on theological concepts that have intrigued me The book is devotional in that it directs the readers hearts to God They include Scripture and seek to help people follow God and see God in the everyday things of life I trust that these lines will lead the reader to a time of reflection prayer spiritual decision and growth

Forms of Devotion in Early English Poetry Jennifer A. Lorden,2023-11-02 Jennifer Lorden reveals the importance of deeply felt religious devotion centuries before it is commonly said to arise Her ground breaking study establishes the hybrid poetics that embodied its form for medieval readers while obscuring it from modern scholars Working across the divide between Old and Middle English she shows how conventions of earlier English poetry recombine with new literary conventions after the Norman Conquest These new conventions for example love lyric repurposed as devotional song created hybrid aesthetics more familiar to modern scholars She argues that this aesthetic as much as changing devotional practice rendered later affective piety recognizable in a way that earlier affective devotional conventions were not Forms of Devotion reconsiders the roots and branches of poetic topoi revising commonplaces of literary and religious history This title is part of the Flip it Open Programme and may also be available Open Access Check our website Cambridge Core for details

Poetry and Revelation Kevin Hart,2017-04-20 Religious poetry has

often been regarded as minor poetry and dismissed in large part because poetry is taken to require direct experience whereas religious poetry is taken to be based on faith that is on second or third hand experience The best methods of thinking about experience are given to us by phenomenology Poetry and Revelation is the first study of religious poetry through a phenomenological lens one that works with the distinction between manifestation in which everything is made manifest and revelation in which the mystery is re veiled as well as revealed Providing a phenomenological investigation of a wide range of religious poems some medieval some modern some written in English others written in European languages some from America some from Britain and some from Australia Kevin Hart provides a unique new way of thinking about religious poetry and the nature of revelation itself Śiva's Demon Devotee Elaine Craddock,2010-04-20 The Hindu poet saint K raikk l Ammai y r describes herself as a demon accompanying the god iva as he dances in the cremation grounds She is believed to be the first to write devotional poetry to iva in the Tamil language and is considered the first of the sixty three Tamil poet saints Written in the sixth or seventh century her beautiful poetry presents the path of love and service that brings liberation In iva s Demon Devotee Elaine Craddock provides a historical literary and ethnographic exploration of K raikk l Ammai y r and her work An annotated translation of the poet saint s 143 verses is included along with an introduction to the Tamil literary tradition Craddock s analysis of this poetry in its ancient context and of the narrative tradition that developed around the life of K raikk l Ammai y r centuries later reveals cultural tensions concerning women s roles and the devotional path Poetry Devotion for Attitude Promotion Robert Anthony Day,2009-10-20 It s been a long time coming for a dynamic book of poetry such as this The project contains beautiful faith filled biblically related poetry that will touch the hearts of people from all walks of life The poetry is written and expounded upon to reveal the author s beliefs and feelings and when scripture is used it reveals exactly what the bible is saying to people today on a myriad of different topics in our daily living Your soul will be indeed lifted to a higher height touched in such a gentle manner taken to a deeper depth of knowledge and moved beyond mountains while reading this devotional book of poetry and commentary The author sets the tone of this book by being blatantly honest but is fair meek and wise in his approach at explanations He wants you to hear the attitude mindset pulse or disposition of your conscience while reading in hopes that you won t want to put this work down on the coffee table until finished The attitude principles or truths contained in the book are already provided in the Word of God but are uniquely demonstrated through poetry arrangements in the context of having a great Godly attitude through varying situations Although a Christian poetry book these concepts can be read and practiced by everyone from all communities no matter what background all derive from or environment one may have been exposed to as a child youth teen or even an adult This book is full of eye opening messages but whatever is acquired from this work it s the writer s heartfelt desire that you attain something uplifting about a positive latitude of attitudes to help in your daily journey Hopefully these poems will inspire you today to encourage yourself in the Lord God **The Calvinist Temper in English Poetry** James D.
