*You Should Quit Reddit* Jacob Desforges, 2023-02-21 In recent years countless books articles and documentaries have addressed the negative effects that social media platforms have wrought on their users and society However these former works are incomplete nearly no attention has been paid to Reddit one of the most popular websites in the world Reddit is certainly unique among social platforms but its potential for addiction and darker side of nefarious activity should absolutely not be

understated Additionally nearly no actionable advice has been provided to users of these platforms The audience is told that these websites and apps are harming their mental health wasting their time and that they are addictive which would logically make the task of quitting rather difficult but then provided zero guidance on how to disconnect from them Over 200 000 users gather on Reddit's r/NoSurf community to discuss reducing their internet use the forum is filled with reports of people who want to quit Reddit but find themselves psychologically compelled to return to the site over and over For moderate to heavy users of these platforms quitting is clearly not so simple You Should Quit Reddit is a paradigm shift in the genre Jacob Desforges was a Reddit user of over a decade and a self admitted Reddit addict who spent on average around three hours daily on the site Not only is this the first book investigating Reddit's flaws as a platform but it is also written from the perspective of someone who experienced firsthand the struggle that comes with quitting these addictive platforms This book therefore also provides readers with the practical advice tools and techniques needed to shatter the cycle of digital addiction enabling them to quit visiting Reddit and other time wasting websites for good so they can effectively reclaim their time to use in a more intentional manner

*Call Me Shady* Carole Southwood, 2007-08 Janet Shady Shahadi is abandoned by her Irish mother and raised by her Arab father After numerous unsuccessful relationships Shady meets Bobby Summerville a Black law student who deepens her knowledge of the world but as their personalities clash the lovers part ways Ultimately after meeting the woman who will become her biographer Shady is forced to confront her painful past and start down the path to healing

Advanced Data Mining and Applications Jinyan Li, Xue Li, Shuliang Wang, Jianxin Li, Quan Z. Sheng, 2016-11-17 This book constitutes the proceedings of the 12th International Conference on Advanced Data Mining and Applications ADMA 2016 held in Gold Coast Australia in December 2016 The 70 papers presented in this volume were carefully reviewed and selected from 105 submissions The selected papers covered a wide variety of important topics in the area of data mining including parallel and distributed data mining algorithms mining on data streams graph mining spatial data mining multimedia data mining Web mining the Internet of Things health informatics and biomedical data mining

Corpus Approaches to Social Media Sofia Rüdiger, Daria Dayter, 2020-11-15 From Twitter to Reddit Facebook and WhatsApp social media is a part of modern everyday life Studying the language used on social media platforms presents great opportunities as well as challenges to corpus linguists The contributions in *Corpus Approaches to Social Media* address technical ethical and methodological issues by showcasing in depth social media studies as conducted by corpus scholars The chapters are based on a variety of social media platforms and include corpus perspectives on the language of online communities linguistic variation in short media texts and the role of images in computer mediated communication A particularly strong point of the collection are the detailed accounts of the methodological aspects of working with social media corpora The volume features research applying traditional corpus linguistic methods to social media data as well as novel and innovative research methods for the analysis of multimodal

material and atypical corpus texts      **ESP and Psychokinesis** Stephen E. Braude, 2002 This work was the first sustained philosophical study of psychic phenomena to follow C D Broad's *LECTURES ON PSYCHICAL RESEARCH* written nearly twenty years earlier The author clearly defines the categories of psychic phenomena surveys the most compelling experimental data and traces their implications for the philosophy of science and the philosophy of mind He considers carefully the abstract presuppositions underlying leading theories of psychic phenomena and he offers bold criticisms of both mechanistic analyses of communication and psychophysical identity theories In addition he challenges the received view that experimental repeatability is the paramount criterion for evaluating parapsychological research and he exposes the deep confusions underlying Jung's concept of synchronicity      **Leonard Maltin's 2009 Movie Guide** Leonard Maltin, Luke Sader, Mike Clark, 2008 Offers readers a comprehensive reference to the world of film including more than ten thousand DVD titles along with information on performers ratings running times plots and helpful features      *Railway Carmen's Journal*, 1919      **Testimonial Injustice and Trust** Melanie Altanian, Maria Baghramian, 2023-11-28 This book presents novel approaches and perspectives to scholarship on epistemic injustice and particularly testimonial injustice and their connections with public trust Drawing from different philosophical schools of thought and approaches the book provides a comprehensive analysis of the conditions mechanisms and normative implications of testimonial injustice a term most prominently introduced by Fricker 2007 and the role that trust can play in fostering testimonial justice Through the application of theories of epistemic injustice and testimonial injustice to new contexts and cases including gendered violence disability indigenous knowledge genocide vaccine hesitancy and the COVID 19 pandemic the book sheds light on the real world significance of these philosophical concepts Testimonial Injustice and Trust introduces new directions for further research and will appeal to scholars and students in critical social and political epistemology normative ethics as well as social and political philosophy more generally The chapters in this book were originally published in the *International Journal of Philosophical Studies* *Social Epistemology* and *Educational Philosophy and Theory*      *The Hessian Hoax* Paul F. Jopling, 2010-08 Its picturesque fields of Queen Anne's lace bachelor buttons and even an occasional rusting disc harrow thrown in for good measure were deemed superb examples of pastoral serenity by virtually every motorist who had passed through Gossett Mills The residents of this small town nestled among the orchards and rolling hillsides of central Massachusetts relished their unaffected if bland lifestyle and harbored no desires to change it However being unaware that change is the only true constant in anyone's life they were at a loss as to what to do when confronted with the prospect that a pernicious criminal element may have surreptitiously infiltrated their community It all starts with a photo in *The Dobson's Creek Dispatch* showing Jethro Clayton the town manager and Molly Simms a retiring elderly resident lying face down in a leaching field adjacent to the waste treatment plant The murder scene cordoned off by yellow and black crime scene tape is most unnerving for the townsfolk to behold and is made all the more so by Police Chief Mathew Harvey's puzzled expression
