Gibson, 2017-07-04 The step dancing of the Scotch Gaels in Nova Scotia is the last living example of a form of dance that waned following the great emigrations to Canada that ended in 1845 The Scotch Gael has been reported as loving dance but step dancing in Scotland had all but disappeared by 1945 One must look to Gaelic Nova Scotia Cape Breton and Antigonish County to find this tradition Gaelic Cape Breton Step Dancing the first study of its kind gives this art form and the people and culture associated with it the prominence they have long deserved Gaelic Scotland's cultural record is by and large pre-literate and references to dance have had to be sought in Gaelic songs many of which were transcribed on paper by those who knew their culture might be lost with the decline of their language The improved Scottish culture depended proudly on the teaching of dancing and the literate learning and transmission of music in accompaniment Relying on fieldwork in Nova Scotia and on mentions of dance in Gaelic song and verse in Scotland and Nova Scotia John Gibson traces the historical roots of step dancing particularly the older forms of dancing originating in the Gaelic-speaking Scottish Highlands He also places the current tradition as a development and part of the much larger British and European percussive dance tradition With insight collected through written sources tales songs manuscripts book references interviews and conversations Gaelic Cape Breton Step Dancing brings an important aspect of Gaelic history to the forefront of cultural debate *A Bloody Day at Gaines' Mill* Elmer R. Woodard, III, 2019-01-04 In the summer of 1862 two great armies met outside of Richmond in a series of battles that would determine the course of the Civil War The Union had time, men and materiel on its side while the Confederates had mobility, esprit de corps and aggressive leadership Untried General Robert E. Lee was tasked with driving the Yankees from their almost impregnable positions to save Richmond and end the war Lee planned to isolate part of the Union Army, crush it and then destroy the only supply base the remaining Federals had To do so he had to move thousands of troops hundreds of miles bringing multiple forces together with intricate timing all without the Yankees or their spies finding out The largest and most important of these battles occurred at Gaines Mill **Who Killed**
