

A ballerina in a pink tutu is captured in a graceful pose, standing on one leg with her arms raised and hands clasped above her head. She is positioned in front of a large, glowing pink moon. The scene is set over a body of water, which reflects the moon and the ballerina. The background is a soft, hazy sky with a gradient of pink and purple.

A Special Peson

*Beautiful eyes, a tender heart
And a smile that's very sweet
Before you came into my life
It was so incomplete*

*You always make me happy
You make my world go 'round
In anything we do together
Joy is sure to be found*

*I just want you to know
And hope that you can see
You're a very precious person
That God has shared with me*

Men With a Mission Gordon Smith, 2018-06-24 With the introduction of Conscription in the 1960s it was realised that Australia's defence forces now had access to a wider pool of talented men that don't normally volunteer for service Three young men were chosen that had shown signs of being able to work with those from different backgrounds or ethnic groups These three men were a Christian a Jew and a Moslem When their special training had been completed they joined the war as intelligence observers Before long they discovered that some of its allies were not being as ethical as they should be In fact some were actually involved in criminal activities The Australian Government needed to be sure that no Australians were involved they directed the group to seek out Corruption Criminal activity and Human rights violations from all sources including allied forces Although not a war story *Men with a Mission* shows the tragedies that come from war balanced by the loves hopes of the future *Congressional Record* United States. US REVIEW of BOOKS Albert Speer Gitta Sereny, 1996-10-29 Albert Speer was not only Hitler's architect and armaments minister but the Fuhrer's closest friend his unhappy love Speer was one of the few defendants at the Nuremberg Trials to take responsibility for Nazi war crimes even as he denied knowledge of the Holocaust Now this enigma of a man is

unveiled in a monumental biography by a writer who came to know Speer intimately in his final years Out of hundreds of hours of interviews Sereny unravels the threads of Speer s personality the genius that made him indispensable to the German war machine the conscience that drove him to repent and the emotional wounds that made him susceptible to Hitler s lethal magnetism Read as an inside account of the Third Reich or as a revelatory unsparing yet compassionate study of the human capacity for evil Albert Speer His Battle with Truth is a triumph Fascinating Not only a major addition to our knowledge of the Third Reich but a stunning attempt to understand the nature of good and evil Newsday More than a biography It also constitutes a perceptive re examination of the mysterious appeal of Adolf Hitler San Francisco Chronicle **Battlefield**
