*THE MANIFESTATION OF THE SONS OF GOD* GODSWORD GODSWILL ONU,2015-03-04 Sons of God have grown in the Lord and they are no more babies infants or boys and sons of God are led by the Spirit of God They obey the Word of God and have close relationship with God They know God and understand His Will and Ways We are supposed to be different from the people of the world and we are supposed to prove to them that we are the Offsprings of God and carry the ability that they don't carry To begin with we should not speak the way they speak even if things seem to be hopeless we should speak forth words of faith As we demonstrate the Spirit and power and live supernaturally and extra ordinarily we show the world that we are the sons of God Let your light so shine before men that they may see your good works and glory your Father in Heaven **Forthcoming Books** Rose Army,1990 A View of Some Divine Truths, which are Either Practically Exemplified in Jesus Christ, Set Forth in the Gospel, Or May be Reasonably Deduced from Thence ... Johnson,2011-04 If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation such that with sufficient effort and intellectual honesty readers can understand it Certainly God uses symbols in Revelation but when He does He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the existing approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist Left Behind view in that it views Revelation from a literalist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb's power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age **Canadiana** ,1986 *The Daily Thought Shaker*®, Volume Ii David George,2020-10-26 Ever wish for something to challenge your thinking How about a fresh approach to applications of Biblical truth As with the first volume The Daily Thought Shaker Volume II is a collection of devotions that adhere to the truth of God's Word while employing humor and critical thinking Whether you prefer beginning or ending your day with a
