## Some Essences Lyrics From Life:

**Some Essences** Fred Howard,1994-07-01 Collection of poems      *Flight of Life (Essence Series #1)* E. L.

Todd,2014-06-01 Everyone is good Sometimes they just do evil things Despite the loss of Calloway s parents the torment he deals with at Fresno High School for being poor and the responsibility of the entire world on his shoulders he still believes life is worth living even if it isn t The only things he has left are the gifts his father left behind a glowing orb and a picking knife Calloway doesn t understand the use of these gifts The globe only responds to him shining in the darkness at his command And his knife can open any lock But what are they for After Calloway steals the Kirin book from the Grandiose Historian Library he is hunted by the Hara Kirs an ancient race that seeks to harbor the essence of all humans Constantly looking over his shoulder Calloway doesn t understand why he s being followed And more importantly why he hasn t been killed The creatures had the chance many times but his life has never been claimed With the help of his two friends they decode the ancient text and investigate the portal that leads to the other side The Anti Life During their research Calloway realizes his father may not be dead after all But if he isn t where is he Why would his father abandon him Did he ever love Calloway His friends suspect his father was actually a Hara Kir which was how Calloway received the gifts but Calloway refuses to believe it His father was a good man He ll prove it Weston the girl that Calloway immediately feels connected to is the leader of the White Wing a group of warriors that fight against the Hara Kirs But she doesn t trust Calloway All the information works against him If his father was a Hara Kir what is he      Literacy Autobiographies from the Global South

Shizhou Yang,2022-12-30 Drawing on autoethnographic research on literacy autobiographies from a Chinese EFL writing context this book provides unique insights into literacy voice translingualism and critical pedagogy from a Global South perspective The book presents literacy autobiographies as a cultural tool for analyzing and refashioning learners and teachers sense of self in ever expanding dialogical spaces In addition to highlighting teachers own stories around autoethnographies and translanguaging it showcases literacy autobiographies from Chinese students themselves The book theorizes the Global South as an ontological positioning that challenges colonial mindsets and practices concerning literacy language learning and narratives It argues that literacy autobiographies from a Global South perspective can be reimagined as critical pedagogy for EFL writing teaching and learning as well as teacher development Validating and expanding student voices by presenting these literacy autobiographies this book will be of great interest to researchers and students in the fields of TESOL applied linguistics English language teaching second language writing and literacy studies      Tale of Life (Essence Series #2) E. L. Todd,2014-03-20 When Calloway returns to school after the winter break high school only becomes more difficult and not academically Beatrice the girl who he s had his eye on since the beginning of high school finally acknowledges him Calloway doesn t understand what any of it means They are still trying to locate the portal and when chance strikes they believe they found the answer But now they have to decide what to do Should they tell Weston or go on

their own Hawk's torments are ever present for Calloway When it becomes too much Calloway turns to his mentor Mr Avey for help There's only so much Calloway can take With graduation prom and the Hara Kirs chasing them every step of the way Calloway and his two friends have to stay a step ahead If not the game could end for good      The Life, Music and Thought of Woody Guthrie John S.
