of love and desire and exposes a world they never knew existed And they begin The Nesting Circle *Little Rays of Moonshine* A. P. Herbert,1921 **Boomer Boys Looking Back** Alan R. Montgomery,2015-10-22 In 2012 Alan Montgomery sent out an email to a group of men who he knew were born between 1946 1964 a time that has been described as the Baby Boomer age The premise for this book was to gather an array of short stories from amateur writers about their experiences growing up and then compile them into a collection that is given some historical and social context by using a story from a pre and post boomer perspective He posed various questions to the contributors to help them explore their past and the impact it has had on their own current situation The stories range in scope from self discovery karate as a means to the fountain of youth to a lengthy semi biographical of one man s journey through the boomer age Four short letters from the past open the book introducing the reader to the generation before the boomers arrived Boomer Boys Looking Back is a book filled with interesting insights into a generation that will soon fade into obscurity as it struggles to remain relevant Each story is designed to provide an intriguing perspective from the point of view from the boomers as they made their way through their lives A dozen or so men have made such a huge contribution toward this book those of whom have travelled distances to meet up and give their own compelling narrative of events All that remains is to take the reader on a journey of curiosity and allow you to marvel how the boomer evolved *Troubled Paradise* Eric Reitan,2024-12-12 Grief over the loss of those we love is one of the most painful parts of life But Christianity has long offered consolation to those who grieve in the form of the Easter promise Death is not the end Beyond it lies a realm of perfect joy where mourning is no more and every tear is wiped away But won t this promise have limits if as Christians have traditionally believed some of God s creatures are eternally lost Can I really be perfectly happy in heaven if say my children are damned or annihilated And what about the Christian teaching that those in heaven are morally sanctified Doesn t this mean they will be perfected in a love so wide it includes even our enemies and hence the lost While delving deeply into the nature of grief and its relation to Christian ethics this book explores the reasoning that generates this problem of heavenly grief examines purported solutions and invites deeper reflection on a frequently dismissed idea that avoids the problem altogether the universalist notion that there are no limits to Easter s promise because all are ultimately saved [Great Wall and Beautiful Jade](#) [Beautiful Jade](#) 2021-06-01 Walking on the Great Wall of China it s an experience of a lifetime But for one man and one woman the Great Wall was to be so much more Matchmaking Life changing Unfolding as a lifetime of experiences In this extraordinary Great Wall reality story William Lindesay relives three decades of his China life with Beautiful Jade He experiences the Wall as a vast theatre for exploration and adventure Together they adopt it as their cause for conservation As a family the Lindesays create their unique WildWall lifestyle beside it Exhilarating and humorous frank and soulful Great Wall Beautiful Jade My China Loves is an uplifting and inspirational account of a couple s odyssey their love for the Great Wall and the spirit of China that it embodies [The Utica Christian Repository](#) ,1825 [How The Hell Are You](#) Glyn

Maxwell,2020-08-20 A new collection from Glyn Maxwell one of the great poetic stylists of the era and one of its leading dramatic voices is always a cause for celebration Here there are squibs and satires lyrics and songs poems written to family members and in memory of loved ones a series of poems written by an artificial intelligence that will thrill and disturb in equal measure and a chance for the blank page to finally speak for itself But *How The Hell Are You* is in its way also a quietly political book Maxwell regards poetry as truth telling and these poems in their intimate unsparing accounts and clear eyed reckonings recoil from the lies and fake news of the age to actually tell it like it is *How The Hell Are You* shows a remarkable imagination and mind working at full tilt and is the most powerful expression of Maxwell s talent to date **Heart Throbs**

Lucius Robinson Paige,1857 *Am I Someone (The Poetry)* Allen Francis Foley,2001-03-23 AM I SOMEONE The Poetry is best described as a communion of words written from the heart a place of truth The author may best be described as the Rod McKuen of the 90 s and beyond He plunges deep into self deep into glorious and painful memories and deep into a conscious unconscious life And then he begins all over again Here is one heart and one mind reaching out to touch the hearts and minds of others Dreams achieved through the words and emotions stirred through and through by never doubting he has loved Love had Love lost Love abused and misused And love the substance of miracles when all else fails in a world that seems so lost unto itself AM I SOMEONE The Poetry tells of life as an open invitation to cry to laugh to love to live and to die It s a connection with the emotions we all feel and hear A communion of life from the heart a place of truth **The Burn**
