Constant Lambert Stephen Lloyd,2014 To the economist and ballet enthusiast John Maynard Keynes he was potentially the most brilliant man he d ever met to Dame Ninette de Valois he was the greatest ballet conductor and advisor this country has ever had to the composer Denis ApIvor he was the greatest most lovable and most entertaining personality of the musical world whilst to the dance critic Clement Crisp he was quite simply a musician of genius Yet sixty years after his death Constant Lambert is little known today As a composer he is remembered for his jazz inspired The Rio Grande but little more and for a man who devoted the greater part of his life to the establishment of English ballet his work is largely unrecognized today This book looks not only at his music but at his journalism his talks for the BBC his championing of jazz in particular Duke Ellington and more privately his longstanding affair with Margot Fonteyn Book jacket A Study of Erotic Literature in England W. v. Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications The Marquis de Sade Paris 1927 and Retif de la Bretonne London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation Encyclopedia of Homosexuality Wayne R. of censor baiting eccentrics like N Reynolds Packard the New York Daily News Rome correspondent and the self styled Marco Polo of Sex Here for the first time is the story of this remarkable venture which captures some of the twentieth century s most outrageous literary personalities and their often scandalous exploits including the failed golf club society magazine run by Nin Miller and Lawrence Durrell and the tortured relationship between Obelisk author Marjorie Firminger and Wyndham Lewis A richly illustrated cultural history of 1920s Paris a fully narrated bibliography of works published by an unforgettable literary institution and a glimpse into the remarkable life of the Press s creator Jack Kahane The Obelisk Press is a publishing event not to be missed by anyone with an interest in twentieth century literary lives and letters
