Some Wild Visions:

Some Wild Visions Elizabeth Elkin Grammer, 2003 A study of seven autobiographies by women who defied the domestic ideology of 19th century America by serving as itinerant preachers Literally and culturally homeless all of them used their autobiographies to construct plausible identities as women and Christians Wild Visions Ben A. Minteer, Mark Klett, Stephen J. Pyne, 2022-01-01 A stunning combination of landscape photography and thematic essays exploring how the concept of wilderness has evolved over time Our ideas of wilderness have evolved dramatically over the past one hundred and fifty years from a view of wild country as an inviolable place apart to one that exists only within the matrix of human activity This shift in understanding has provoked complicated questions about the importance of the wild in American environmentalism as well as new aesthetic expectations as we reframe the wilderness as to some degree a human creation *Wild Visions* is distinctive in its union of landscape photography and environmental thought a merging of short thematic essays with a striking visual narrative Often the wild is viewed in binary terms either revered as sacred and ecologically pure or dismissed as spoiled by human activities This book portrays wilderness instead as an evolving gamut of understandings a collage of views and ideas that is still in process **The Super Natural** Whitley Strieber, Jeffrey J. Kripal, 2017-09-26 Two of today's maverick authors on anomalous experience present a perception altering and intellectually thrilling analysis of why the paranormal is real but radically different from what is conventionally understood Whitley Strieber Communion and Jeffrey J. Kripal J. Newton Rayzor professor of religion at Rice University team up on this unprecedented and intellectually vibrant new framing of inexplicable events and experiences Rather than merely document the anomalous these authors one the man who popularized alien abduction and the other a renowned scholar and renegade advocate for including the paranormal in religious studies The New York Times deliver a fast paced and exhilarating study of why the supernatural is neither fantasy nor fiction but a vital and authentic aspect of life Their suggestion That all kinds of impossible things from extra dimensional beings to bilocation to bumps in the night are not impossible at all rather they are a part of our natural world But this natural world is immeasurably more weird more wonderful and probably more populated than we have so far imagined with our current categories and cultures which are what really make these things seem impossible The Super Natural considers that the natural world is actually a super natural world and all we have to do to see this is to change the lenses through which we are looking at it and the languages through which we are presently limiting it In short The extraordinary exists if we know how to look at and think about it *Dark Visions* Carter Knox, 2025-04-10 Maxine Shepard has spent her life reading tarot cards searching for meaning in a world that has given her nothing but loss Without family close friends or love she drifts through life haunted by visions of a man she's never met a man with a strange tattoo and an even stranger connection to her fate Then one night he walks into her shop He claims she's the only one who can help him return home a place buried deep within the eerie Mana'an caverns where reality twists and nightmares come alive With

nowhere else to turn Maxine reunites with her old crew following the mysterious man into the cavern's depths But once inside they realize they're not alone Something ancient lurks in the shadows something hungry And as the caverns test their minds bodies and souls Maxine must confront a terrifying truth the man from her visions might not be leading her to answers he might be leading her to death In the heart of darkness will she find her destiny or her doom **The Methodist Defense**

of Women in Ministry Paul W. Chilcote, 2017-11-10 John Wesley promoted the ministry of women in early Methodism Amazing women like Phoebe Palmer Catherine Booth and Frances Willard founding figures in the holiness movement the Salvation Army and the Woman's Christian Temperance Union claimed biblical precedent for their groundbreaking ministries They withstood the onslaught of criticism and hostility from those who thought they had stepped out of their proper sphere Methodists have championed the cause of women and developed biblical spiritual and practical arguments for their ministry for two and a half centuries More than fifty documents from the history of Methodism chronicle the tortuous journey leading to biblical equality in this family of churches At a time when the ministry of women is under serious attack in a number of quarters yet again we all have much to learn from the witness of Wesleyan Christians who argued for women's ministry This story illustrates how faithful women when they knew they had the Lord's approval stood like the beaten anvil to the stroke Courage Defiance Perseverance Faithfulness These qualities define the Methodist defense of women in ministry **On**

Depression S. Nassir Ghaemi, 2013-07 Lasting happiness comes not from chasing the American dream but from living an authentic life which includes despair In a culture obsessed with youth financial success and achieving happiness is it possible to live an authentic meaningful life Nassir Ghaemi director of the Mood Disorder Program at Tufts Medical Center reflects on our society's current quest for happiness and rejection of any emotion resembling sadness On Depression asks readers to consider the benefits of despair and the foibles of an unexamined life Too often depression as disease is mistreated or not treated at all Ghaemi warns against the pretenders who confuse our understanding of depression both those who deny disease and those who use psychiatric diagnosis pragmatically or unscientifically But experiencing sadness even depression can also have benefits Ghaemi asserts that we can create a narrative of ourselves such that we know and accept who we are leading to a deeper lasting level of contentment and a more satisfying personal and public life Depression is complex and we need guides to help us understand it guides who comprehend it existentially as part of normal human experience and clinically as sometimes needing the right kind of treatment including medications Ghaemi discusses these guides in detail thinkers like Viktor Frankl Rollo May Karl Jaspers and Leston Havens among others On Depression combines examples from philosophy and the history of medicine with psychiatric principles informed by the author's clinical experience with people who struggle with mental illness He has seen great achievements arise from great suffering and feels that understanding depression can provide important insights into happiness **Erotic Faith** Mari Kim, 2022-03-24 The thought of

contemporary North American theologian and ethicist Wendy Farley is an unflinching clarion call to justice and compassion

Farley invites us to discover ways of embodying the deep compassion capable of resisting pernicious distortions and traumatizing injustices that harm and dehumanize us all This volume of essays embodies her invitation to awaken as beloved community And when we are overwhelmed by the magnitude of struggle and despair Farley reminds us that the powerful longing of hope at times against all evidence refuses to give up on seeking justice and wholeness Compassionate justice radical hospitality creative liberation and deep listening emerge as more than ethical values for Farley they are expressions of erotic faith a praxis of faithfulness born of divine desire These writings explore transformative perspectives and practices that have the capacity to help us recover and author our identity as the god bearers we are Erotic faith embodies the love seeking persistence of divine faithfulness necessary to transform us from within it meets the truth of human harm vulnerability and suffering by offering a complex struggling unscripted creativity capable of remaking us and our world until the beloved community is whole

Jesus for President Shane Claiborne,Chris Haw,2019-07-30 Do the church and politics ever go together Jesus for President is a radical manifesto more urgent today than ever to awaken the Christian political imagination reminding us that our ultimate hope lies not in partisan political options but in Jesus and the incarnation of the peculiar politic of the church as a people set apart from this world This collaboration between Shane Claiborne s writing and stories Chris Haw s reflections and research and Chico Fajardo Heflin s 4 color art and design creates lyrical theology that poetically weaves together words and images to sing rather than dictate its message This one of a kind book includes Messages drawn from biblical theologians Lessons from church history Examples from modern day saints and ordinary radicals A poetic and illustrative perspective of faith This book is perfect for those who seek to follow Jesus rediscover the spirit of the early church and represent the kingdom of God Jesus for President stirs the imagination of what the church could look like if it placed its faith in Jesus instead of Caesar A fresh look at Christianity and empire Jesus for President transcends questions of Should I vote or not and Which candidate by thinking creatively about the fundamental issues of faith and allegiance

Passion of a Dream Thomson Ng'ambi,2014-07-10 The Republic of Mutendere an imaginary African country has a population of 25 million The Republic attained independence 50 years ago However there are still numerous problems poverty disease corruption inadequate education economic dependence and leadership crises There are three major political parties The capital city is Roma The story revolves around five families the Chibote Mumba Musole Patel and Chanda families
