C. Kunze,2016-08-10 Maurice Sendak 1928 2012 stands out as one of the most respected influential authors of the twentieth century Though primarily known as a children s book writer and illustrator he did not limit himself to these areas He saw himself first and foremost as an artist In this collection of interviews Sendak presents himself as a writer illustrator set designer and librettist From his early work with Randall Jarrell and Ruth Krauss through his later work with Tony Kushner and Spike Jonze Sendak worked as a collaborator with a passion for the arts The interviews here many of which are hard to find or previously unpublished span from 1966 through 2011 They show not only Sendak s shifting artistic interests but also changes in how he understood himself and his craft What emerges is a portrait of an author and an artist who was alternately solemn and playful congenial and irascible sophisticated and populist The man who showed millions of children and adults alike what s cooking in the night kitchen and where the wild things are Sendak remains an American original who redefined the picture book and changed children s literature and its readers forever
