When The Hurt Began Allen DeKeyser,2025-09-19 *When the Hurt Began Healing the Wounds of Childhood Trauma* is a raw unflinching and deeply emotional journey into the scars left behind by childhood pain and the long difficult but possible path to healing Allen DeKeyser doesn't write in theory he writes from lived survival Through vivid storytelling extended chapters and unfiltered honesty this book walks readers through the silent battles of trauma the moments children are forced to grow up too fast the weight of secrets carried into adulthood and the cycles of shame and silence that threaten to break us But this is not just a story about pain it's about reclamation It's about learning to speak when silence once ruled about finding family in unexpected places about facing wounds that never fully disappear yet no longer control the future For anyone who has ever asked Can I really heal from what was done to me this book is proof that the answer is yes Real raw and relentless Allen's story is one of heartbreak resilience faith and the kind of love that refuses to let go This book is for survivors for those still carrying the weight and for anyone who loves them It's more than a memoir it's a mirror a lifeline and a testament to the truth that even when the hurt begins in darkness healing always makes its way to the light

The Rise Begins At Zero Shabeena Mirza,2025-08-29 *The Rise Begins at Zero* perfect for Amazon or Goodreads listings *The Rise Begins at Zero* is an inspiring self help journey for anyone feeling stuck lost or behind in life This heartfelt book embraces imperfection offering motivation for those quietly persevering through setbacks and self doubt Filled with stories of resilience emotional healing and personal growth it guides readers to find strength in the small wins and the quiet persistence that often goes unseen If you're learning to trust your journey starting over or seeking empowerment through mindfulness and self compassion this book is your companion Discover how to rise from zero embrace the process of transformation and move forward even when fear and doubt try to hold you back *The Rise Begins at Zero* offers practical wisdom and hope for anyone ready to take the next step toward lasting change and mental wellbeing

Blackstar Theory Leah Kardos,2021-12-16 *Blackstar Theory* takes a close look at David Bowie's ambitious last works his surprise comeback project *The Next Day* 2013 the off Broadway musical *Lazarus* 2015 and the album that preceded the artist's death in 2016 by two days *Blackstar* The book explores the swirl of themes that orbit and entangle these projects from a starting point in musical analysis and features new interviews with key collaborators from the period producer Tony Visconti graphic designer Jonathan Barnbrook musical director Henry Hey saxophonist Donny McCaslin and assistant sound engineer Erin Tonkon These works tackle the biggest of ideas identity creativity chaos transience and immortality They enact a process of individuation for the Bowie meta persona and invite us to consider what happens when a star dies In our universe dying stars

do not disappear they transform into new stellar objects remnants and gravitational forces The radical potential of the Blackstar is demonstrated in the rock star supernova that creates a singularity resulting in cultural iconicity It is how a man approaching his own death can create art that illuminates the immortal potential of all matter in the known universe **Into Thick Air** Jim Malusa,2010-07-01 Delightful debut travelogue by botanist Malusa who cycled to the lowest point on each of six continents Kirkus Reviews With plenty of sunscreen and a cold beer swaddled in his sleeping bag writer and botanist Jim Malusa bicycled alone to the lowest point on each of six continents a six year series of anti expeditions to anti summits His journeys took him to Lake Eyre in the arid heart of Australia along Moses route to the Dead Sea and from Moscow to the Caspian Sea He pedaled across the Andes to Patagonia around tiny Djibouti in the Horn of Africa and from Tucson to Death Valley With a scientist s eye Malusa vividly observes local landscapes and creatures As a lone man he is overfed by grandmothers courted by ladies of the night in Volgograd invited into a mosque by Africa s most feared tribe chased by sandstorms and hurricanes yet Malusa keeps riding His reward the deep silence of the world s great depressions A large hearted narrative of what happens when a friendly perceptive American puts himself at the mercy of strange landscapes and their denizens Into Thick Air presents one of the most talented new voices in contemporary travel writing I ve followed all of Jim s amazing and hilarious journeys and I am happy to claim him as one of my favorite writers Barbara Kingsolver New York Times bestselling author His descriptions of desert landscapes can be extraordinary You can almost feel the dry gusts turning Malusa s lips into cracked leather The New York Times Book Review *Clutter Free* Kathi Lipp,2015-01-01 If you ve ever wished you could clear out your clutter simplify your space and take back your life Kathi Lipp s new book has just the solutions you need Building off the success of her *The Get Yourself Organized Project* this book will provide even more ideas for getting your life and your stuff under control Do any of these descriptions apply to you You bought a box of cereal at the store and then discovered you have several boxes at home that are already past the best by date You bought a book and put it on your nightstand right on top of ten others you ve bought recently but you have yet to open it You keep hundreds of DVDs around even though you watch everything online now and aren t really sure where the remote for the DVD player is You spend valuable time moving your piles around the house but you can never find that piece of paper when you need it Your house doesn t make you happy when you step into it As you try out the many easy doable solutions that helped Kathi win her battle with clutter you ll begin to understand why you hold on to the things you do eliminate what s crowding out real life and make room for the life of true abundance God wants for you *The Letters of Vincent Van Gogh to His Brother, 1872-1886* Vincent van Gogh,1927 *A Pandemic Confession* S A Sneha,2022-09-19 This book is a collection of poems and letters that have been written over the course of the pandemic With a lot of time and a life threatening disease outside shutting the world down I rethink what makes and means to us as humans Hoping that these words spark a conversation within you *King's Shield* Sherwood Smith,2009-07-07 Acclaimed Inda series within Sherwood Smith s epic fantasy Sartorias deles

universe Military fantasy woven with courtly politics vast worldbuilding and diverse characters Inda was the second son of the prince and princess of Choraed Elgaer It had been Inda's fate as second son to be his family's Shield Arm and spend his adult life protecting the lands his brother would one day inherit But powerful factions in the royal court were committed to seeing Inda fail For eight difficult years Inda had been at sea using an assumed name and forcing himself to never think of all he had lost And he had created a new life for the military skills that had been trained into him and his own inborn leadership ability could not be erased After founding a mercenary marine company he had earned a reputation for defeating dangerous pirate fleets When Inda discovers that his home country is about to be attacked from the sea by an ancient enemy he throws his carefully guarded anonymity to the winds and returns home After nearly a decade at sea Inda finds his home utterly changed His good friend Evred the formerly powerless and harassed younger prince is now king Evred has heard of Inda's martial accomplishments at sea and is determined to make Inda his Royal Shield Arm the person in charge of defending the entire kingdom Though Inda is skilled his experience is entirely naval Can a former pirate captain alter his tactics to become a successful ground commander in time to save his endangered homeland

them they may return to their families and friends but they can tell no one where they've been. In the end there will be winners and there will be losers. But their resurrection has attracted the notice of other supernatural figures all with their own agendas. As Laura Daniel and Mo grapple with the pieces of the lives they left behind and Laura's sister Susannah attempts to reconcile what she remembers with what she fears, these mysterious others begin to arrive engulfing their community in danger and chaos and it becomes imperative that the teens solve the mystery of their deaths to avert a looming disaster. Welcome to Kelly Link's incomparable *Lovesend* where you'll encounter love and loss, laughter and dread, magic and karaoke and some really good pizza.

Spaghetti Sissies Queering Italian American Media Julia Heim, Sole Anatrone, 2023-04-28. This contributed volume brings together personal accounts and scholarly research in an examination of the LGBTQIA Italian American experience and representation in North American media. This is a population that has long been ignored both as an object of study and as a media maker and consumer. Through consistent filmic representation the image of the Italian American has become archetypal, leaving us with a set of immediately recognizable characters: the hyper-macho blue collar greaser, the anti-intellectual GTL Guido, the child-obsessed mamma, and the heteronormative mafia family. The rhetorical and literal loudness of these characters drowns out other possible embodiments of Italian American identity so that few examples survive of Italian Americans that do not conform to these classed heterosexual modes of being. This volume fills that void, foregrounding the importance of representation and of rethinking the historical narratives and cultural stereotypes surrounding Italian American identity. This book is especially designed for those with an interest in queer theory, gender, and sexuality studies, Italian American studies, and media and cultural studies.

To Obama Jeanne Marie Laskas, 2018-09-18. One of the most important politics books of the year, *To Obama* is a record of a time when politics intersected with empathy. The real story of Obama's America. *Sunday Times*. Every day President Obama received ten thousand letters from ordinary American citizens. Every night he read ten of them before going to bed. In *To Obama*, Jeanne Marie Laskas interviews President Obama, the letter writers themselves, and the White House staff in the Office of Presidential Correspondence, who were witness to the millions of pleas, rants, thank-yous, and apologies that landed in the mailroom during the Obama years. At once desperate, joyful, hateful, and despairing, they form an intimate portrait of one man's relationship with the American people and of a time when empathy intersected with politics in the White House.
