

- >parents die in a car wreck
- >a week or so later, i'm laying in bed, crying myself to sleep as usual
- >hear a creak on the floor outside my room, and giggling
- >my dog perks up and starts growling like crazy
- >my mom slowly leans around the corner of the door
- >she looks... different... and her movements are all wrong
- >jerky and twitchy
- >"go to sleep anon, it'll all be better soon"
- >its her voice but sounds clotted somehow, my blood is ice water
- >my dog is whimpering and cowering now
- >"mom" jerks back around the door
- >another creak
- >my dad leans around the corner
- >"it's ok son, we're gonna be a family again soon. just fall asleep" and giggles
- >like my mom, his movements are all spastic and fucked up, his face is a grinning rictus
- >he jerks his head back out of sight
- >my heart is pounding
- >quickly and quietly as i can, i grab my phone and dial 911 to report a home invasion at my address
- >i can hear movement and that insane giggling from the hallway
- >i'm laying there with tears rolling down my face from fear
- >i don't know how long it was until i saw flashing lights outside the house and muffled shouts
- >hurried movement in the hallway, something crashes to the ground
- >muffled shouts from downstairs as the cops come through the front door
- >thank you god
- >they search my house and afterward a cop approaches me white as a sheet
- >"anon, it's hard to tell you this but we found your parents'... faces... on the ground outside"

that was almost ten years ago. they never found the sick fucks that did it and i still have nightmares

*Planetwalker* John Francis, Ph.D.,2008-04-08 When the struggle to save oil soaked birds and restore blackened beaches left him feeling frustrated and helpless John Francis decided to take a more fundamental and personal stand he stopped using all forms of motorized transportation Soon after embarking on this quest that would span two decades and two continents the young man took a vow of silence that endured for 17 years It began as a silent environmental protest but as a young African American man walking across the country in the early 1970s his idea of the environment expanded beyond concern about pollution and loss of habitat to include how we humans treat each other and how we can better communicate and work together to benefit the earth Through his silence and walking he learned to listen and along the way earned college and graduate degrees in science and environmental studies The United Nations appointed him goodwill ambassador to the world s grassroots communities and the U S government recruited him to help address the Exxon Valdez disaster Was he crazy How did he live and earn all those degrees without talking An amazing human interest story with a vital message

Planetwalker is also a deeply personal and engaging coming of age odyssey the positive experiences the challenging times the characters encountered and the learning gained along the way Historical Collections of Ohio ... Henry Howe,1902

Brown Boy Omer Aziz,2024-04-16 An uncompromising portrait of identity family religion race and class that cuts to the bone Publishers Weekly starred review told through Omer Aziz s incisive and luminous prose In a tough neighborhood on the outskirts of Toronto miles away from wealthy white downtown Omer Aziz struggles to find his place as a first generation Pakistani Muslim boy He fears the violence and despair of the world around him and sees a dangerous path ahead succumbing to aimlessness apathy and rage In his senior year of high school Omer quickly begins to realize that education can open up the wider world But as he falls in love with books and makes his way to Queen s University in Ontario Sciences Po in Paris Cambridge University in England and finally Yale Law School he continually confronts his own feelings of doubt and insecurity at being an outsider a brown skinned boy in an elite white world He is searching for community and identity asking questions of himself and those he encounters and soon finds himself in difficult situations whether in the suburbs of Paris or at the Temple Mount in Jerusalem Yet the more books Omer reads and the more he moves through elite worlds his feelings of shame and powerlessness only grow stronger and clear answers recede further away Weaving together his powerful personal narrative with the books and friendships that move him Aziz wrestles with the contradiction of feeling like an Other and his desire to belong to a Western world that never quite accepts him He poses the questions he couldn t have asked in his youth Was assimilation ever really an option Could one transcend the perils of race and class And could we the collective West ever honestly confront the darker secrets that as Aziz discovers still linger from the past In Brown Boy Omer Aziz has written an eye opening book that eloquently describes the complex process of creating an identity that fuses where he s from what people see in him and who he knows himself to be Unattainable Age of Reason Teata,2013-06-29

INTRODUCTION The Age of Reason Why I decided to write this book It is with anticipation that someone will read this and will find some kind of comfort in knowing that not everything you do in your life is under your control that those uncontrollable situations in your life will dictate the direction your life will take Writing my life for the public to read is validating my life and my innocence The age of reason Canon law an age at which a person is considered capable of making reasoned judgments In the Roman Catholic Church the age of reason also called the age of discretion is the age at which children become capable of moral responsibility On the completion of the seventh year a minor is presumed to have the use of reason but mental retardation or insanity could prevent some individuals from ever reaching it Children under the age of reason and the mentally handicapped are sometimes called innocents because of their inability to commit sins even if their actions are objectively sinful they sometimes lack capacity for subjective guilt Wikipedia *The Promised Land* Rawls Howard,2018-10-15 Discovering the Kingdom of God in Eastern North Carolina A small town boy s adventures in the Land of Milk and Honey **C.
