Someplace In Time:

Weeping Willow Darla Lynn Morris, 2007-02 Often we have wondered in time when things remained the same how life never changed until the venom of life took a turn for those that we had endured The weeping willow tree comes to mind in those times As the trunk of the tree is strong as can be and the branch can hang heavy with venom sagging till the end However the weeping willow tree has sparked my poetry for good and for bad The branches of the weeping willow can also be there for you to protect and cover you Have you ever wondered what it would be like to have A jamboree under the weeping willow tree As you read this very explicit piece of poetry know that the Weeping Willow Tree is heaven s jamboree
