**The Scapegoat** Sara Davis, 2021-03-02 The Scapegoat is a novel of disquiet and disturbance with an atmosphere of perfect dread Think Patricia Highsmith or Jim Thompson that blend of menace and brilliance Sara Davis had me shivering This is the debut novel of a marvelous new talent Victor LaValle author of The Changeling N is employed at a prestigious California university where he has distinguished himself as an aloof and somewhat eccentric presence His meticulous ordered life is violently disrupted by the death of his estranged father unanticipated and as it increasingly seems to N surrounded by murky circumstances His investigation leads him to a hotel built over a former Spanish mission a site with a dark power and secrets all its own On campus a chance meeting with a young doctor provokes uncomfortable feelings on the direction of his life and N begins to have vivid almost hallucinatory daydreams about the year he spent in Ottawa and a shameful episode from his past Meanwhile a shadowy group of fringe academics surfaces in relation to his father's death Their preoccupation with a grim chapter in California's history runs like a surreal parallel to the staid world of academic life where N's relations with his colleagues grow more and more hostile As he comes closer to the heart of the mystery his ability to distinguish between delusion and reality begins to erode and he is forced to confront disturbing truths about himself his irrational antagonism toward a young female graduate student certain libidinal impulses and a capacity for violence Is he the author of his own investigation Or is he the unwitting puppet of a larger conspiracy With

this inventive devilish debut saturated with unexpected wit and romanticism Sara Davis probes the borders between reality and delusion intimacy and solitude revenge and justice The Scapegoat exposes the surreal lingering behind the mundane the forgotten history underfoot and the insanity just around the corner

Something Wicked 560 Horror Classics Macabre Tales Supernatural Mysteries is an unparalleled anthology that plunges readers into the depths of fear and fascination through an array of foreboding narratives and supernatural encounters This collection fuses diverse literary styles ranging from gothic horror to chilling mysteries crafted by some of the greatest literary minds across centuries The anthology offers an expansive exploration of horror s evolution vividly representing its thematic intricacies and cultural reflections Standout stories weave dark allegories with eerie settings promising to both unsettle and entice readers by challenging the boundaries between reality and the surreal This collection brings together an illustrious array of authors who have collectively shaped the landscape of horror and the macabre Among these visionaries are Wilhelm Hauff Charles Dickens Mark Twain and Mary Shelley each contributing to a fabric of narratives that span Romantic Victorian and early 20th century sensibilities The anthology aligns with movements such as Romanticism and Gothic Revival while exploring the anxieties of modernity and the unknown The contributing

authors provide a spectrum of perspectives that enrich the thematic core with cultural and historical depth combining to create an essential resource for understanding the genre's enduring appeal and evolution. Such an extensive compilation offers readers a unique opportunity to immerse themselves in a multitude of voices that collectively explore terror, mystery, and the supernatural. *Something Wicked* is recommended for those seeking a comprehensive understanding of horror's literary roots and its narrative diversity. Readers will find education and entertainment in the varied insights and dialogues produced by the integration of these classic works, making this anthology a vital addition to any literary collection.

**Kittens For Dummies** Dusty Rainbolt, 2019-07-13 Who can resist the charm of a kitten, those energetic, curious creatures whose cuteness factors fall somewhere between adorable and irresistible? But as animal shelters across the country can attest, those enchanting balls of fluff quickly mature into full-grown cats with their own requirements for healthy, happy lives. *Kittens For Dummies* is your source for understanding what you can expect if you decide to welcome a high-energy and high-maintenance four-legged friend into your home. You'll not only figure out if you're ready to fit a kitty into your lifestyle, but also how to go about adopting or buying the right kitten for you. Making sure your home is kitten-proof. Introducing your new pet to children and other pets. Preventing and treating feline illnesses. Dealing with behavioral issues. Rescuing an orphaned kitten. Books abound about kitten care. Unlike many of them, those that seem to require a veterinary medicine degree to figure out, *Kittens For Dummies* explains everything in plain, everyday English. And like the subject itself, this handy reference is full of fun. In entertaining, informative language, the friendly guide gives you the real deal on doling out plenty of love, attention, and patience. Deciding whether kitty will be allowed to explore the outdoors. Making your kitten comfy with the right supplies and accessories. Knowing how often to ring the dinner bell. Recognizing emergencies that call for quick trips to the veterinarian. Locating qualified caretakers when you travel. Nurturing kitty into adulthood. Before you take the giant leap into kitten ownership, a wonderful and sometimes chaotic world, check out the expert advice in a resource that's bound to become as constant a companion as your purr-fect pet. P.S. If you think this book seems familiar, you're probably right. The *Dummies* team updated the cover and design to give the book a fresh feel, but the content is the same as the previous release of *Kittens For Dummies*. 9780764541506.
