Something For The Ghosts:

Something for the Ghosts David Constantine, 2002 The prevailing mood of David Constantine's poetry is one of unease often elegiac or comically edged barbed with pain or tinged with pleasure His new book *Something for the Ghosts* holds a worried and restless balance between celebration and anxiety restraint and longing Before ghosts speak they need a drink of blood according to Homer Several of these poems summon up the dead and give them a voice giving expression to the love and grief that go with them All poetry however private or distant its origins is an attempt to give palpable life to what would otherwise be unapproachable by the senses Every reader gives someone else's poem a new lease of life another metamorphosis in flesh and blood and the poem quickens its new host like the necessary draught that Odysseus gave his ghosts at the mouth of Hades David Constantine's book does not exorcise any ghosts but rather does the opposite making them more vigorous and persistent in their haunting This edition is now out of print but the whole collection is included in David Constantine's *Collected Poems* 2004

The Killing Edge Heather Graham, 2010-04-01 Chloe Marin was lucky She was just a teenager when a party at a Florida

beachside mansion turned into a savage killing spree and she was one of the few to survive Bloody handwriting on the walls pointed to a cult whose rituals included human sacrifice Chloe's sketch of one of the killers linked two dead cult members found in the Everglades to the massacre closing the case as far as the cops were concerned Ten years later Chloe works as a psychologist specializing in art therapy to help traumatized victims and on the side she finds release in her passion for the martial arts Police who hire her as a consultant know she's a literal kick ass advocate for victims who can't always speak for themselves The current disappearance of a young swimsuit model ranks low on the cops priority list Everyone assumes the girl has run off for some fun in the sun instead of getting ready for a photo shoot Everyone but Chloe who suspects a killer is using the modeling agency to stalk his prey When the ghost of the model appears asking Chloe for help she knows that she has to do everything she can So does Luke Cane a British ex cop turned P I investigating the disappearance of the model on behalf of her father Chloe and Luke have trouble trusting each other but they can't help their strong attraction for one another Luckily they agree on the important things someone needs to find those missing girls and if a few laws have to get bent so lives can be saved too bad When Chloe arrives late for an appointment at the modeling agency she discovers a gruesome mass murder eerily similar to the one she witnessed a decade ago and can't help thinking that if she hadn't run late she would have been there when the killer arrived Ten years ago she hadn't been convinced the police had identified the real killers and now she's sure of it The same evil mind is behind the current murders and she's afraid she's the target and terrified that she won't be able to cheat death a third time She has no choice now but to trust Luke on every level because with a killer closing in he's the only one who's willing to do whatever it takes to keep her alive
