Something There Is:

Something's Down There Mickey Spillane, 2004 The legendary master of hard boiled classics returns with a razor sharp espionage thriller When fellow fishermen in the Caribbean begin falling prey to a mysterious sea entity retired government operative Mako Hooker investigates

Altarpieces Michael D. O'Kelly, 2011-05-18 Fire lies at dawn Winged essences charred bodies still on re This evocative poetry essay collection issues a call for a renewed embracement of the readers own expressive self Weve each a persona to hear a voice to resonate through silences of night and the noises of everyday Life is a mystery hard to crack We bang it like a door and strum it like a lyre until it opens some new portal through which the voice can authentically sound out the truths of being human Thats the happening of this book Altarpieces have always been artistic creations to conceive lifes sacred space This book follows that tradition if rather untraditionally These pieces speak to hear life on ones own terms from ones own altar and cathedral This gathering created a poet self identity called Apokstrophes The essays join with the poems to conceive poetry and the spiritual quest with a renewed existential eco romantic perspective sounding that quest with both feet grounded on worldly other Planet Earth The challenge to grasp life at the core is a wrenching wrestling match with the Other that ever present dimension of poetry on lifes path Joining philosophical play with the authenticity of word pieces as true orients OKellys book with many poets helping along the way has taken up that challenge with unflinching creativity Want a spiritual adventure Fly Take the ride Oh the ride Fins spurred in shivers of hide Lifes dearness reined in the roll of the tide

The Nature of Things Anthony M. Quinton, 2019-03-07 Originally published in 1973 In this systematic treatise Anthony Quinton examines the concept of substance a philosophical refinement of the everyday notion of a thing Four distinct but not unconnected problems about substance are identified what accounts for the individuality of a thing what confers identity on a thing what is the relation between a thing and its appearances and what kind of thing is fundamental in the sense that its existence is logically independent of that of any other kind of thing In Part 1 the first two problems are discussed while in Part 2 the third and fourth are considered Part 3 examines four kinds of thing that have been commonly held to be in some way non material abstract entities the un observable entities of scientific theory minds and their states and finally values The author argues that theoretical entities and mental states are in fact material He gives a linguistic account of universals and necessary truths and advances a naturalistic theory of value

Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations for 1985 United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies, 1984

Opening to Oneness Nancy Mujo Baker, 2023-01-24 Stop trying to become better by suppressing or hiding parts of yourself and learn what it means to be fully human with this accessible guide to the core ethical teachings of Zen Buddhism In Opening to Oneness Zen teacher Nancy Baker offers a detailed path of practice for Zen students planning to take the precepts and for anyone Buddhist or non Buddhist interested in deepening their personal study of ethical living She

reveals that there are three levels of each precept a literal level don't kill not even a bug a relative level that takes moral ambiguity into account what if it's a malaria spreading mosquito and an ultimate level the paradoxical level of nonduality in which the precepts are naturally expressed from a state of oneness Full of nuance intelligence and compassion the first half of the book addresses the ten grave precepts mostly from the relative level including instructions for how to practice these precepts individually and in pairs or groups The second half of the book takes a deep dive into looking at the precepts from the ultimate perspective largely through an exploration of the writings of Dogen the thirteenth century religious genius who founded the Soto Zen school At once comprehensive and innovative Opening to Oneness will take its place alongside classics like The Mind of Clover The Heart of Being and Being Upright as a cherished guide to Zen Buddhist ethics

Deposition Transcripts from the Committee Investigation Into the White House Office Travel Matter, 1996 Oxford Studies in Ancient Philosophy, Volume 63 Rachana Kamtekar, 2024-05-22 Oxford Studies in Ancient Philosophy is a volume of original articles on all aspects of ancient philosophy The articles may be of substantial length and include critical notices of major books OSAP is now published twice yearly in both hardback and paperback Have you seen the latest OSAP is what scholars of ancient philosophy say to each other when they meet in corridors or on coffee breaks Whether you work on Plato or Aristotle on Presocratics or sophists on Stoics Epicureans or Sceptics on Roman philosophers or Greek Neoplatonists you are liable to find OSAP articles now dominant in the bibliography of much serious published work in your particular subject not safe to miss Malcolm Schofield Cambridge University OSAP was founded to provide a place for long pieces on major issues in ancient philosophy In the years since it has fulfilled this role with great success over and over again publishing groundbreaking papers on what seemed to be familiar topics and others surveying new ground to break It represents brilliantly the vigour and the increasingly broad scope of scholarship in ancient philosophy and shows us all how the subject should flourish M M McCabe King's College London

The Comprehension of the Holy Spirit within the Human Condition Arthur Fanning, 2015-08-17 The force of the Holy Spirit is coming Are you ready The spiritual forces within the self have been neglected causing a lot of difficulty In this series of channelings from the Spirit of Space and Gabriel et al through Arthur Fanning you'll learn how to acknowledge respect and make the most of these spiritual forces as you continue to work toward ascension Read about how the forty nine personalities in your chakras are unifying Discover the importance of your birth name and date and how to use them to develop harmonics receive memories and reveal your divine purpose Understand why it's essential to appreciate the many intricate parts and functions of your human body

Summa Dharmalogica Maik Sulmaya Pehrsson, 2014-09-30 Summa Dharmalogica is a new detailed take on the mythological history of Indian religion from a Buddhist perspective There are several interwoven themes throughout the text but the main thesis is that the underlying philosophy of all Buddhist and related traditions offers a middle way solution to the current battle between new materialist movements and the Creationist movements of religion Another parallel theme is the suggestion that the dharma

the practical philosophy central to Hindu and Buddhist lineages has its roots in the Neolithic age long before Orthodox religion and that the seemingly different traditions of Vedanta Tantra Madhyamaka Advaita and Yoga are essentially identical This is supported by way of study and analysis of mythology anthropology and philosophy The investigation into this substratum of spirituality shows that it is in fact the far more recent branches of Tibetan Buddhism that seem to come closest to the original or primal intention and practise of the dharma The title of the book is borrowed from the Dominican Theologian St Thomas Aquinas who tied together the scattered Christian ideology of the 13th Century and infused them with a new philosophical and scientific fervour in his Summa Theologica This is what I have attempted to do here with the Vedic Buddhist conglomerate albeit on a much smaller scale By looking at the theological similarities and differences between a variety of religious ideas and facing the starkly materialistic dogma of popular science today a new level of clarity and knowledge comes to light One of the aims of this study has been to describe the entire philosophical outlook of Vedic and Buddhist notions on ultimate reality Phenomenology and Origin are studied and debated offering both an ancient as well as a new way of looking at the nature of reality In doing so various other offers for ultimate reality Creationism Evolution Quantum Physics are taken on board and investigated Connected to this is a specific look at the much misunderstood topic of Tantra its historical roots and philosophical implications as well as its pre religious antiquity It is at this point that we come into deep investigation of concepts of faith God enlightenment as well as birth death sex and unity Embark on a logical and spiritual journey of reason and wisdom partaking in a kind of New Theism by looking at God through Buddhist goggles disseminating the flaws of creationism and evolution and understanding the nature of the universe through the ontological study of Amandas toes The journey is concluded by offering a meditation manual of sorts tying in the ideas that have been discussed and channeling them into a positive practical application in the form of a fully revised presentation of the Lam Rim Finally this book is not about nor in support or denial of religion but rather an investigation into the true nature of reality Though it investigates religious ideas and history it shows clearly that dharma is something different

The Complete Sermons of Ralph Waldo Emerson Ralph Waldo Emerson, 1989 Volume 2 includes a detailed chronology of the events in Emerson's life during the months between July 1829 and October 1830 Explanatory footnotes textual endnotes and a comprehensive index further add to this significant contribution to our understanding of one of America's foremost thinkers

Philosophical Letters of David K. Lewis David K. Lewis, 2020-10-29 David Kellogg Lewis 1941 2001 was one of the most influential philosophers of the twentieth century He made significant contributions to almost every area of analytic philosophy including metaphysics philosophy of language philosophy of mind and philosophy of science and set the agenda for various debates in these areas which carry on to this day In several respects he remains a contemporary figure yet enough time has now passed for historians of philosophy to begin to study his place in twentieth century thought His philosophy was constructed and refined not just through his published writing but also crucially through his life long

correspondence with fellow philosophers including leading figures such as D M Armstrong Saul Kripke W V Quine J J C Smart and Peter van Inwagen His letters formed the undercurrent of his published work and became the medium through which he proposed many of his well known theories and discussed a range of philosophical topics in depth A selection of his vast correspondence over a 40 year period is presented here across two volumes As metaphysics is arguably where Lewis made his greatest contribution this forms the focus of Volume 1 Arranged under the broad areas of Causation Modality and Ontology the letters offer an organic story of the origins development breadth and depth of his metaphysics in its historical context as well as a glimpse into the influence of his many interlocutors This volume will be an indispensable resource for contemporary metaphysics and for those interested in the Lewisian perspective **GERTRUDE STEIN Ultimate**

Collection: Novels, Short Stories, Poetry, Plays, Memoirs & Essays Gertrude Stein, 2023-12-10 Gertrude Stein's Ultimate Collection encapsulates the avant garde spirit of her literary oeuvre presenting a rich tapestry of novels short stories poetry plays memoirs and essays Stein's experimental style eschews traditional narrative forms employing stream of consciousness techniques and a unique use of repetition that invites the reader to immerse themselves in the rhythm of her prose This collection not only showcases her contributions to modernism but also reflects the zeitgeist of the early 20th century a period of profound cultural and artistic upheaval that Stein was pivotal in shaping Gertrude Stein an American expatriate in Paris was at the forefront of the artistic movements of her time befriending luminaries such as Pablo Picasso and Ernest Hemingway Her own experiences as a Jewish woman and a groundbreaking writer informed her exploration of identity language and the very nature of art itself Stein's insistence on the significance of the structure and sound of language reveals her innovative approach to writing emerging from her deep engagement with both psychology and the avant garde This collection is a treasure for both aficionados of modernist literature and newcomers alike offering an expansive view of Stein's intellectual landscape Readers will find in this anthology not just a compilation of her works but a gateway into the mind of a literary revolutionary whose legacy continues to influence writers and artists today **Animal**

Souls Speak Robert Shapiro, 2007 Arcturus is the name given to the star system some thirty seven light years from our own It includes at least a half dozen planetary bodies and is many times larger and much older than our own star and its system Arcturian involvement with our system began over three million years ago when a space colony a galactic space station was established on Velatropa 24 4 otherwise known as Mars With its 40 000 year warm cycles Mars provided the perfect experimental way station If anything went wrong at least those on the Arcturus system would not be affected or so it was thought Some of those in command of the Martian project had not considered carefully enough the inexorable efficacy of karma the law of cause and effect By the time strange events began to transpire on Mars little did anyone on Mars or Arcturus reckon the strange consequences of forgetting about each other's mutual existence Thus unfolds the tale of the Arcturian experimental way station V 24 4 otherwise kno National Labor Relations Act and Proposed Amendments:

Hearings, June 21-23, 1939 United States. Congress. Senate. Committee on Education and Labor,1939 *National Labor Relations Act and Proposed Amendments* United States. Congress. Senate. Committee on Education and Labor,1939

Innovative Automatic Identification and Location-Based Services: From Bar Codes to Chip Implants Michael, Katina,Michael, M.G.,2009-03-31 This book emphasizes the convergence and trajectory of automatic identification and location based services toward chip implants and real time positioning capabilities Provided by publisher *Lead Poisoning* United States. Spacecruiser Inquiry A. H. Almaas,2002-04-30 Over the past twenty five years A H Almaas widely recognized as a leader in integrating spirituality and psychology has been developing and teaching the Diamond Approach a spiritual path that integrates the insights of Sufism Buddhism Gurdjieff and other wisdom traditions with modern psychology In this new work Almaas uses the metaphor of a spacecruiser to describe a method of exploring the immediacy of personal experience a way of investigating our moment by moment feelings thoughts reactions and behaviors through a process of open ended questioning The method is called the practice of inquiry and Spacecruiser Inquiry reveals what it means to engage with this practice as a spiritual path its principles challenges and rewards The author explores basic elements of inquiry including the open ended attitude the focus on direct knowledge the experience of not knowing and the process of questioning He describes the experience of Diamond Guidance the inner wisdom that emerges from our true nature and how it can be realized and applied In this process Almaas looks at many of the essential forms of Diamond Guidance including knowing clarity truth love intelligence compassion curiosity courage and determination Also included are exercises and questions and answers from the original talks by Almaas on which the book is based *Women's Mental Health* Nazilla Khanlou,F. Beryl Pilkington,2015-07-23 This book focuses on the social and societal context of women s mental health Drawing from multidisciplinary perspectives and scholarship it pays particular attention to how women s mental health is experienced at the personal level yet it is influenced by their relationships and interacts with the larger societal context such as prevailing gender equality policies income distribution role burden peace and security Specific attention is given to the positive aspects of women s mental health such as agency resilience and how women s personal relations across diverse domains such as family work neighbourhoods are constructed and influenced by and in turn influence broader societal structures policies opportunities A unique feature of this book is that at the end of each chapter there is a Response section written by a non academic such as a community member practitioner or policy maker in which the invited authors respond to the chapter texts in the form of narrative poetry and or prose according to their various backgrounds interests and experiences *The Burning Edge* Rick Mofina,2016-10-01 Rick Mofina s tense taut writing makes every thriller he writes an adrenaline packed ride Tess Gerritsen New York Times bestselling author Single mother Lisa Palmer has barely recovered from the sudden death of her husband when she is drawn into a new nightmare On her way home from upstate New York Lisa stops at a

service center minutes before an armored car heist Four men are executed before her eyes one of them an off duty FBI agent Lisa tried to help Now Lisa is the FBI s secret witness and the key to finding the fugitive killers FBI agent Frank Morrow leads the investigation of the high profile case Hiding a very personal secret Frank knows this assignment will be like no other he s ever faced and it could be his last Pressured to land an exclusive newswire journalist Jack Gannon chases down the elusive thread of an anonymous tipster With every instinct telling Jack the story is within his grasp he gambles everything in his frantic race to reveal the chilling truth before the cold blooded killers can enact the next stage of their vengeful mission Previously published

This is likewise one of the factors by obtaining the soft documents of this **Something There Is** by online.
