Sometimes I Feel For Early Readers:

The Early Reader in Children's Literature and Culture Jennifer Miskec, Annette Wannamaker, 2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children's literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children's texts that have been translated and sold around the globe examining them as part of an increasingly transnational children's media culture that may add to or supplant regional ethnic and national children's literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe

Circular and Booksellers' Record ,1923 **How to Raise a Reader** Pamela Paul,Maria Russo,2019-09-03 An indispensable guide to welcoming children from babies to teens to a lifelong love of reading written by Pamela Paul and Maria Russo editors of The New York Times Book Review Do you remember your first visit to where the wild things are How about curling up for hours on end to discover the secret of the Sorcerer s Stone Combining clear practical advice with inspiration wisdom tips and curated reading lists How to Raise a Reader shows you how to instill the joy and time stopping pleasure of reading Divided into four sections from baby through teen and each illustrated by a different artist this book offers something useful on every page whether it s how to develop rituals around reading or build a family library or ways to engage a reluctant reader A fifth section More Books to Love By Theme and Reading Level is chockful of expert recommendations Throughout the authors debunk common myths assuage parental fears and deliver invaluable lessons in a positive and easy to act on way **Margery Kempe and the Lonely Reader** Rebecca L. Krug,2017-03-07 Since its

rediscovery in 1934 the fifteenth century Book of Margery Kempe has become a canonical text for students of medieval Christian mysticism and spirituality Its author was a fifteenth century English laywoman who after the birth of her first child experienced vivid religious visions and vowed to lead a deeply religious life while remaining part of the secular world After twenty years Kempe began to compose with the help of scribes a book of consolation a type of devotional writing found in late medieval religious culture that taught readers how to find spiritual comfort and how to feel about one s spiritual life In Margery Kempe and the Lonely Reader Rebecca Krug shows how and why Kempe wrote her Book arguing that in her engagement with written culture she discovered a desire to experience spiritual comfort and to interact with fellow believers who also sought to live lives of intense emotional engagement An unlikely candidate for authorship in the late medieval period given her gender and lack of formal education Kempe wrote her Book as a revisionary act Krug shows how the Book reinterprets concepts from late medieval devotional writing comfort despair shame fear and loneliness in its search to create a spiritual community that reaches out to and includes Kempe her friends family advisers and potential readers Krug offers a fresh analysis of the Book as a written work and draws attention to the importance of reading revision and collaboration for understanding both Kempe s particular decision to write and the social conditions of late medieval women s authorship

Reading Mixed Signals Albert H. Cantril,Susan Davis Cantril,1999-09-16 The public policy overviews by Brookings are always among the best and they are even more valuable this year when several think tanks appear to have defaulted on their traditional role in offering up reviews for consideration by the transition team Across the various issue areas including international social domestic and governance policy domains they present thoughtful recommendations **The Thomas Keating Reader** Thomas Keating,2012 For a quarter of a century Trappist monk Fr Thomas Keating has been contributing

articles on Centering Prayer the contemporary manifestation of the ancient Christian contemplative tradition to the newsletter of Contemplative Outreach the organization that he helped establish to promote this tradition The Thomas Keating Reader gathers for the first time thirty of those articles some never published elsewhere to offer a valuable overview of some of the main strands of Fr Thomas thinking and practice on Centering Prayer Lectio Divina and interreligious dialogue Rich with insight and humanity The Thomas Keating Reader offers a broad introduction to the concepts that have animated Contemplative Outreach and reveals the gifts and challenges of the practice of the spiritual life

Reading Across the Disciplines Karen Manarin,2022-05-03 Reading Across the Disciplines offers a collection of twelve essays detailing a range of approaches to dealing with students reading needs at the college level Transforming reading in higher education requires more than individual faculty members working on SoTL projects in their particular fields Teachers need to consider reading across the disciplines In this collection authors from Australia and North America teaching in a variety of disciplines explore reading in undergraduate courses doctoral seminars and faculty development activities By paying attention to the particular classroom and placing those observations in conversation with scholarly literature they create new knowledge about reading in higher education from disciplinary and cross disciplinary perspectives Reading Across the Disciplines demonstrates how existing research about reading can be applied to specific classroom contexts offering models for faculty members whose own research interests may lie elsewhere but who believe in the importance of reading

The Booker T. Washington Reader Booker T. Washington, 2013-02-18 Here in one omnibus edition are Booker T Washington s most important books Washington was constantly and often bitterly criticized by his contemporaries for being too conciliatory to whites and not concerned enough about civil rights It would not be until after his death that the world would find out that he had indeed worked a great

deal for civil rights anonymously behind the scenes Up from Slavery is one of the most influential biographies ever written On one level it is the life story of Booker T Washington and his rise from slavery to accomplished educator and activist On another level it the story of how an entire race strove to better itself Washington makes it clear just how far race relations in America have come and to some extent just how much further they have to go Written with wit and clarity In My Larger Education Booker T Washington explains how he came by his positions on race relations by describing the people who influenced him during the founding of Tuskegee Normal and Industrial Institute of Alabama In Character Building are thirty seven addresses that Booker T Washington gave before students faculty and guests at the Tuskegee Institute These addresses take the form of timeless advice on a number of subjects Very motivational and uplifting Here are six historic essays on the state of race relations during the Reconstruction and early twentieth century written from the African American point of view Included are Industrial Education for the Negro by Booker T Washington The Talented Tenth by W E Burghardt DuBois The Disfranchisement of the Negro by Charles W Chesnutt The Negro and the Law by Wilford H Smith The Characteristics of the Negro People by H T Kealing and Representative American Negroes by Paul Laurence Dunbar

The Christianity Reader Mary Gerhart, Fabian Udoh, 2007-09 Christianity is the world's most populous religion with some two billion adherents As a world religion Christianity has flourished because it is capable of taking on new forms in new contexts To understand both the religion's history and its present state Mary Gerhart and Fabian Udoh gather original texts from early Christian writings to contemporary documents on church related issues in The Christianity Reader The most comprehensive anthology of Christian texts ever in English this is a landmark sourcebook for the study of Christianity's historical diversity With newly edited annotated and translated primary texts along with supplemental analytical essays the volume allows Christianity at long last to speak in its many voices Focusing on Christianity as a religion Gerhart and Udoh select texts that illuminate issues such as theology mysticism and ritual while also articulating the stories of previously marginalized groups as well as those in new and growing epicenters of the religion With nearly three hundred selections the texts encompass the entire history of Christian writings excluding the New Testament from Justin Martyr and Tertullian to Fabien Eboussi Boulaga and Teresa of Calcutta Eight thematic sections cover biblical traditions and interpretations early influences nascent forms patterns of worship structures of community philosophy theology and mysticism twentieth century issues and challenges and the contemporary relationship between Christianity and other world religions The Reader's contents are arranged chronologically and are supported with introductions and source notes that explain the rationale for their inclusion and their context Providing a far richer selection than ever before available in a single volume The Christianity Reader will be welcomed as both a classroom resource and a work of reference for decades to come
