David Beckham is Britain's greatest and best-loved footballer. Famous both off and on the pitch, the footballing legend has reached iconic status. From the joyous screams of young girls to the chants of support from gruff-voiced football fans everywhere, David Beckham goes. It is evident that he has captured the love of the nation. In 2003, David Beckham was awarded an OBE for his services to football, and now with his outstanding popularity still reaching far and wide, he is in a position to receive the ultimate honour, a knighthood from the Queen. This amazing biography traces the incredible accomplishments of this kind-hearted and talented star. First playing for Manchester United's first team at the age of 17, he became a household name a few years later with a breathtaking goal against Wimbledon. Now over a decade on, he is the fifth most capped English player of all time and the only one to score in three different World Cups. Like his fame, David Beckham's achievements extend far beyond the football pitch. He has supported the United Nations Children's Fund (UNICEF) since his early days at Manchester United, been a goodwill ambassador for the charity, and opened football academies in Los Angeles and London in the first step of his attempt to fulfil his dream of helping children from around the world to learn the joy of the beautiful game. This is the inspiring story of an extremely talented and devoted man, an honest and complete portrait of how the golden boy of English football has managed to take this and many other countries by storm. **This is San Francisco**

Alexander Barrett, 2019-09-10. In the same vein as his other two evocative love letters to cities, *This Is Portland* and *This Is Shanghai*, Alexander Barrett again plays quirky tour guide in *This is San Francisco*. Distilling the charm of San Francisco into colorful illustrated pages, he reveals the city's magic in this good-humored, earnest homage. This isn't a guide book that will tell you where to stay or what to eat; rather, it's an invitation from a friend to come along on a walk down one of San Francisco's historic streets, up one of its urban staircases, or along its many shorelines. Through thoughtful and funny anecdotes, essays, and illustrations, Barrett takes you on a journey through one of America's most famous cities and makes you wish you were right there with him. **Ten Low**
