Rules of Engagement? Stjepan Mestrovic, 2008 Blackwater Abu Ghraib and other scandals in Iraq were presaged by the murderous Operation Iron Triangle in May 2006 when US soldiers were ordered to kill all Iraqis of military age The soldiers were imprisoned the officer was merely reprimanded Mestrovic details the American leadership's fake commitment to the Geneva Conventions and the rule of law fake due process for defendants fake goals of promoting democracy and compulsion to repeat our errors in Vietnam The Blackwater scandal involved killing unarmed Iraqis in accordance with rules of engagement that were apparently similar to the case analyzed in these pages Atrocity and American Military Justice in

Southeast Asia Louise Barnett, 2010-01-21 Using individual judicial proceedings held within war time Southeast Asia this book analyses how the American military legal system handled crimes against civilians and determines what these cases reveal about the way that war produces atrocity against civilians The War Behind Me Deborah Nelson, 2008-10-28

Perjury Richard Raiber, 2008 Careful review of microfilmed German operational records led the author to solve a World War II mystery involving Field Marshall Albert Kesselring and the Italian campaign he directed Facts about two events in March 1944 the Ardeatine Cave Massacre and the failed GINNY II mission were manipulated Kesselring's 1947 defense was accepted without challenge until 1997 when Dr Raiber found irrefutable evidence that Kesselring had misled the court in

order to hide his involvement in the murder of fifteen U S soldiers who had been captured in uniform behind enemy lines Kesselring claimed he was present in his Monte Soratee headquarters north of Rome on 23 March 1944 when he received and passed on Hitler's 10 for 1 retaliatory order against the Via Rasella partisan resulting in the massacre at the Ardeatine Cave A day earlier on the Ligurian coast members of an OSS operational group GINNY II landed north of La Spezia Captured behind German lines these U S soldiers were interrogated and summarily shot on 26 March Thereafter Kesselring ordered the destruction of all records bearing on GINNY II to conceal his presence in La Spezia and his confirmation of the execution order but surviving documents clearly place him there at noon on 24 March Publisher **Empire, Ideology, Mass Violence: The Long 20th Century in Comparative Perspective** Tobias Hof, 2016-09-20 Despite the vast literature on genocide and mass violence during the 19th and 20th century one question still haunts historians and the wider public alike Why do ordinary men use extreme violence against fellow human beings Empire Ideology Violence The Long 20th Century in Comparative Perspective offers innovative methods and interdisciplinary approaches to the study of extreme violence in the long 20th century By looking at case studies from different regions and time periods the contributors shed more light on the social political and economic contexts in which humans are inclined to use extreme forms of violence Topics in the volume include case studies from Asia Africa Europe the Ottoman Empire and the Nazi Third Reich **War Stories** Gary Kulik, 2009-10-31 War stories are mostly innocent fables and understood as such by both the teller and the hearer However they have long been used for political and national purposes and those about the war in Vietnam were no exception as painfully evidenced in the 2004 presidential campaign John Kerry campaigned as a war hero His opponents cast him as a liar and a traitor and their war story prevailed War Stories delves into the myths associated with the Vietnam veteran's experience and looks at them through the war stories they told and continue to tell Kulik conducts an extremely thorough review of the Vietnam literature and interviews participants wherever possible poking holes in the war myths of people throughout the political spectrum War Stories discusses how returning Vietnam vets were treated and delves into the myths that atrocities were commonplace that all veterans of that war suffer from PTSD and that all are guilt ridden Kulik's research and analysis of such stories lies at the heart of this book's originality and provides a new perspective on the Vietnam War for scholars students and general readers His purpose in exposing such stories is not to deny or minimize American war crimes in Vietnam but to cut through the cant of false stories so that we retain our outrage at those that are true As we are faced with future war stories from Iraq and Afghanistan and their likely exploitation the moral stance and the lessons learned in this book will be especially important

The Vietnam War in American Memory Christian Goodwillie, Jane F. Crosthwaite, 2009 From the very beginning in the 1770s singing was an important part of the worship services of the Shakers formally known as the United Society of Believers in Christ's Second Appearing Yet until the early nineteenth century nearly all Shaker songs were wordless expressed in unknown tongues or as enthusiastic vocalizations Only when Shaker missionaries moved west into Ohio and Kentucky did they begin composing hymn texts chiefly as a means of conveying the sect's unconventional religious ideas to new converts In 1812-13 the Shakers published their first hymnal This venture titled *Millennial Praises* included the texts without music for one hundred and forty hymns and elucidated the radical and feminist theology of the Shakers neatly distilled in verse This scholarly edition of the hymnal joins the texts to original Shaker tunes for the first time One hundred and twenty six of the tunes preserved in the Society's manuscript hymnals have been transcribed from Shaker musical notation into modern standard notation thus opening this important religious and folk repertoire to modern scholars Many texts are presented with a wide range of variant tunes from Shaker communities in New England New York Ohio and Kentucky Introductory essays by volume editors Christian Goodwillie and Jane F Crosthwaite place *Millennial Praises* in the context of Shaker history and offer a thorough explication of the Society's theology They track the use of the hymnal from the point of publication up to the present day beginning with the use of the hymns by both Shaker missionaries and anti Shaker apostates and ending with the current use of the hymns by the last remaining Shaker family at Sabbathday Lake Maine The volume includes a CD of historical recordings of six Shaker songs by Brother Ricardo Belden the last member of the Society at Hancock Shaker Village

Corps Competency? Michael F. Morris,2024-08-07 The Vietnam War ended nearly fifty years ago but the central paradox of the struggle endures how did the world s strongest nation fail to secure freedom for the Republic of Vietnam Michael F Morris addresses this vexing question by focusing on the senior Marine headquarters in the conflict s most dangerous region Known as I Corps the northern five provinces of South Vietnam witnessed the bloodiest fighting of the entire war I Corps also contained the Viet Cong s strongest infrastructure key portions of the Ho Chi Minh Trail and the important political and economic prizes of Hue and Da Nang For Americans it was the site of the first major military operation Operation STARLITE the Battles of Hue City and Khe Sanh during the 1968 Tet Offensive and a military innovation known as the Combined Action Platoon CAP a counterinsurgency technique designed to secure the region s villages The Marine zone served as Saigon s canary in the coal mine if the war was to be won allied action must succeed in its most contested region With such deep significance I Corps holds many answers to the lasting questions of the Vietnam War Following the Marine Amphibious Force III MAF the primary US tactical command in I Corps from 1965 to 1970 Corps Competency provides the first composite analysis of the critical role of the senior Marine headquarters and offers a coherence missing in piecemeal accounts Despite the critical importance of I Corps relatively little is known about its overall impact on the war due to disconnected and patchy historical study of the region In this comprehensive and newly insightful study of the Vietnam War Michael Morris tells a story that illustrates what can happen when a corps headquarters is not ready for the conflict it encounters and then fights the war it wants to rather than the one it must The views expressed in this work are those of the author and not the official position of the United States government Department of Defense Department of the Navy United States Marine Corps or Marine Corps University [Not a Gentleman's War](#) Milam,2010-07-13 Wars are not fought by politicians and generals they are fought by soldiers Written by a combat veteran of the Vietnam War Not a Gentleman s War is about such soldiers a gritty against the grain defense of the much maligned junior officer Conventional wisdom holds that the junior officer in Vietnam was a no talent poorly trained unmotivat **Vietnam**

War Almanac James H. Willbanks, 2013-09-03 With more than 58 000 casualties and 300 000 wounded at a cost of more than 130 billion the Vietnam War became one of the most divisive conflicts in American history The scars left by the war can still be felt today making it crucial that we have the facts about this watershed event Vietnam War Almanac contains a chronological history of the war in Vietnam with day by day listings of the war on the ground in the air and at sea international and U S events and a biographical dictionary of major military and civilian figures It may be impossible to fully understand such a complicated and horrible struggle but for the families of veterans and for historians the thorough presentation here along with its extensive bibliography and index is an excellent place to start Coverage here includes The Tet Offensive Walter L Cronkite The Battle of Dien Bien Phu Vo Nguyen Giap Ngo Dinh Diem The Battle of Ia Drang Valley Robert S McNamara The Battle of Hamburger Hill Abbie Hoffman The Battle of An Loc And much more President Nixon claimed that the war was misreported then and it is misremembered now This almanac will ensure that it is remembered correctly
