

# The Baboon Bounce

A RAG-STEP INTERMEZZO

GEORGE L. COBB (1913)

Sheet music for "The Baboon Bounce" by George L. Cobb (1913). The music is in 2/4 time, key of D major, and consists of 27 measures.

The score is written for piano (p) and includes dynamic markings such as *f* (forte), *mf* (mezzo-forte), and *ff* (fortissimo). The music features a repeating rhythmic pattern in the right hand, often marked with a slur and a repeat sign, and a bass line in the left hand.

The piece concludes with a double bar line and a repeat sign, followed by two endings (1. and 2.) leading to a final cadence.

## **Sonata For Baboon Baboon Piano:**

**International Piano** ,2007      **BBC Proms 2023** BBC Proms Publications,2023-04-19 The BBC Proms is the world's biggest and longest running classical music festival and one of the jewels in the crown for the BBC. Held every summer at the Royal Albert Hall in London, it is one of the strongest brand names in the music world and attracts a glittering array of artists and orchestras from the UK and around the world. Whether you're a first time visitor or an experienced Prommer watching at home or listening on radio or online, the BBC Proms Guide is an excellent companion to the festival which you can treasure and return to in years to come. Filled with concert listings and articles by leading writers, the BBC Proms Guide offers an insight into the performers and repertoire as well as thought provoking opinion pieces about music, musicians and music making. The contents for 2023 include a specially commissioned short story by Man Booker Prize nominated author Madeleine Thien, an exploration of the mysterious art of conducting and an investigation of the connections between music and the human body and spirit, including a mental health Proms playlist. We celebrate the unashamedly Romantic and nostalgically bittersweet music of Sergey Rachmaninov 150 years after his death, we throw the spotlight on Samuel Coleridge Taylor and Dora Pejačević, Croatia's first major woman composer, and we delve into the sonic space dust of experimental legend György Ligeti, whose music Stanley Kubrick used to otherworldly effect in 2001: A Space Odyssey, The Shining and Eyes Wide Shut. Plus, hear from an array of Proms artists in our series of Spotlight interviews.      *Music Teacher and Piano Student* ,1961      **The ^A Power of Black Music** Samuel A. Floyd Jr.,1996-10-31 Bold and original, *The Power of Black Music* offers a new way of listening to the music of black America and appreciating its profound contribution to all American music. Striving to break down the barriers that remain between high art and low art, it brilliantly illuminates the centuries-old linkage between the music, myths and rituals of Africa and the continuing evolution and enduring vitality of African American music. Inspired by the pioneering work of Sterling Stuckey and Henry Louis Gates Jr, author Samuel A. Floyd Jr advocates a new critical approach grounded in the forms and traditions of the music itself. He accompanies readers on a fascinating journey from the original rings of dance drum and song shared by people across Africa through the ring shout's powerful merging of music and dance in the slave culture to the funeral parade practices of the early New Orleans jazzmen, the bluesmen in the twenties, the beboppers in the forties and the free jazz, rock, Motown and concert hall composers of the sixties and beyond. In *The Power of Black Music*, Floyd clearly shows that black folk culture remains a driving force in the black music of America, a force with the power to enrich cultures the world over.      *The Power of Black Music* Samuel A. Floyd Jr.,1995-07-27 When Jimi Hendrix transfixed the crowds of Woodstock with his gripping version of The Star Spangled Banner, he was building on a foundation reaching back in part to the revolutionary guitar playing of Howlin' Wolf and the other great Chicago bluesmen and to the Delta blues tradition before him. But in its unforgettable introduction, followed by his unaccompanied talking guitar passage and inserted calls and responses at key points in the musical narrative, Hendrix's

performance of the national anthem also hearkened back to a tradition even older than the blues a tradition rooted in the rings of dance drum and song shared by peoples across Africa Bold and original *The Power of Black Music* offers a new way of listening to the music of black America and appreciating its profound contribution to all American music Striving to break down the barriers that remain between high art and low art it brilliantly illuminates the centuries old linkage between the music myths and rituals of Africa and the continuing evolution and enduring vitality of African American music Inspired by the pioneering work of Sterling Stuckey and Henry Louis Gates Jr author Samuel A Floyd Jr advocates a new critical approach grounded in the forms and traditions of the music itself He accompanies readers on a fascinating journey from the African ring through the ring shout s powerful merging of music and dance in the slave culture to the funeral parade practices of the early new Orleans jazzmen the bluesmen in the twenties the beboppers in the forties and the free jazz rock Motown and concert hall composers of the sixties and beyond Floyd dismisses the assumption that Africans brought to the United States as slaves took the music of whites in the New World and transformed it through their own performance practices Instead he recognizes European influences while demonstrating how much black music has continued to share with its African counterparts Floyd maintains that while African Americans may not have direct knowledge of African traditions and myths they can intuitively recognize links to an authentic African cultural memory For example in speaking of his grandfather Omar who died a slave as a young man the jazz clarinetist Sidney Bechet said Inside him he d got the memory of all the wrong that s been done to my people That s what the memory is When a blues is good that kind of memory just grows up inside it Grounding his scholarship and meticulous research in his childhood memories of black folk culture and his own experiences as a musician and listener Floyd maintains that the memory of Omar and all those who came before and after him remains a driving force in the black music of America a force with the power to enrich cultures the world over

*The Game of Sunken Places (The Norumbegan Quartet, Book 1)* M. T. Anderson, 2010-06-01 From bestselling and National Book Award winning author M T Anderson comes the paperback reissue of a middle grade adventure starring two of the most disarmingly deadpan boys you ll ever meet When Brian and Gregory receive an invitation to stay at a distant relative s strange manse well they should know better than to go but since this is a middle grade adventure novel they go anyway Why not Once there they stumble upon *The Game of Sunken Places* a board game that mirrors a greater game for which they have suddenly become players Soon the boys are dealing with attitudinal trolls warring kingdoms and some very starchy britches Luckily they have wit deadpan observation and a keen sense of adventure on their side
