*Sonata No. 1* Alejandro Díaz G., 2015-04-13 The present musical work has been written by Alejandro Diaz in 2015

Inspired by Paul Hindemith's Flute Sonata Diaz wrote this sonata which was dedicated to his beloved cousin Diana Salazar flutist This work represents the beginning of a new composing technique for Diaz who has combined classical harmony with some contemporary harmony represented in some sections all along the piece And as mentioned in the beginning the contemporary musical language from Hindemith has inspired all the work in this and other pieces from Diaz Here we can find the story of two children playing in a garden sometimes resting and finding figures between the clouds and getting in troubles and at the end they can laugh until sunset The Flute Sonata is composed in three 3 movements as a classic sonata with a first movement Allegro giocoso which represents the childlike temperament in this part of the sonata with a play time character described by the composer as a playful restless and naughty kid represented the most of time by the flute and a second kid in the piano with the same temperament as the first one but more reflexive and always following the steps and games from his friend After this part a second movement with a peaceful character showing the kids resting and lying down on the grass This part of the sonata shows how the composer see the pass of the clouds slow and calm in a summer day And finally a third movement which shows how those kids get in trouble after one of them begins to roll down the hill and the other one tries to help him but finishes rolling down too The fear and nerves of those children are shown by the stressful tempo and abrupt harmony This sonata ends in this movement with a tonal ending which shows the kids laughs after to stop rolling and see that everything is fine With this introduction and context we ask you to enjoy this piece and always have fun playing Contents Full Piano Score Individual Flute Part Allegro Giocoso Andante Allegro con brio *Catalogue of Music, Instrumental and Vocal* Cramer, Beale & Co, 1852 *New York Magazine* , 1991-09-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** , 1993-04-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** , 1991-12-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography
