**Exodus in the Jewish Experience** Pamela Barmash,W. David Nelson,2015-05-14 Exodus in the Jewish Experience Echoes and Reverberations investigates how the Exodus has been and continues to be a crucial source of identity for both Jews and Judaism It explores how the Exodus has functioned as the primary model from which Jews have created theological meaning and historical self understanding It probes how and why the Exodus has continued to be vital to Jews throughout the unfolding of the Jewish experience As an interdisciplinary work it incorporates contributions from a range of Jewish Studies scholars in order to explore the Exodus from a variety of vantage points It addresses such topics as the Jewish reception of the biblical text of Exodus the progressive unfolding of the Exodus in the Jewish interpretive tradition the religious expression of the Exodus as ritual in Judaism and the Exodus as an ongoing lens of self understanding for both the State of Israel and contemporary Judaism The essays are guided by a common goal to render comprehensible how the re envisioning of Exodus throughout the unfolding of the Jewish experience has enabled it to function for thousands of years as the central motif for the Jewish people

**A Mahzor from Worms** Katrin Kogman-Appel,\_a\_rin \_og'man-Apel,2012-04-17 The Leipzig Mahzor is one of the most lavish Hebrew illuminated manuscripts of all time A prayer book used during Jewish holidays it was produced in the Middle Ages for the Jewish community of Worms in the German Rhineland Though Worms was a vibrant center of Judaism in the eleventh and twelfth centuries and drew

celebrated rabbis little is known about the city's Jews in the later Middle Ages In the pages of its famous book Katrin Kogman Appel discovers a portal into the life of this fourteenth century community Medieval mahzorim were used only for special services in the synagogue and belonged to the whole congregation so their visual imagery reflected the local cultural associations and beliefs The Leipzig Mahzor pays homage to one of Worms's most illustrious scholars Eleazar ben Judah Its imagery reveals how his Ashkenazi Pietist worldview and involvement in mysticism shaped the community's religious practice Kogman Appel draws attention to the Mahzor's innovations including its strategy for avoiding visual representation of God and its depiction of customs such as the washing of dishes before Passover something less common in other mahzorim In addition to decoding its iconography Kogman Appel approaches the manuscript as a ritual object that preserved a sense of identity and cohesion within a community facing a wide range of threats to its stability and security People of the Image Marc Michael Epstein, 2025-06-24 The Middle Ages provide us with one of the richest repositories of art in the West Yet the rise in the production of art made for and by Jews especially in the form of illuminated manuscripts is often neglected in general surveys or viewed as a mere emulation of Christian art during this period In People of the Image Marc Michael Epstein demonstrates how medieval Jews transformed their visual art into a vital site of critical commentary Through bold speculation and radical interpretation Epstein considers how viewers might have empathized with depicted emotions how they envisioned the relationship between the monstrous and the human and how they could effectively perpetrate subversive acts merely by anticipating what might occur next in a given image were it to be set in motion Examining these artworks and imagining the circumstances of their production and reception Epstein uncovers otherwise inaccessible social political and theological perceptions among Europe's major medieval minority He goes on to illuminate the afterlives of medieval Jewish art in its reimaginings by postmodern Jews struggling to establish a conceptual as well as a political space for themselves as a minority in majority Christian society Bringing together diverse currents from various fields and bodies of literature People of the Image reveals how medieval Jews understood themselves the world and God Provocative and engagingly written the book will appeal to audiences across medieval studies cultural studies art history and Jewish studies Selected Poems of Solomon Ibn Gabirol Solomon Ibn Gabirol, 2016-06-30 Poet philosopher and sensitive misanthrope a spectacular fly in the ointment of the refined eleventh century Andalusian Jewish elite Solomon Ibn Gabirol comes down to us as one of the most complicated intellectual figures in the history of post biblical Judaism Unlike his worldly predecessor Shmuel HaNagid the first important poet of the period Ibn Gabirol was a reclusive mystically inclined figure whose modern sounding medieval poems range from sublime descriptions of the heavenly spheres to poisonous jabs at court life and its pretenders His verse which demonstrates complete mastery of the classicizing avant garde poetics of the day grafted an Arabic aesthetic onto a biblical vocabulary and Jewish setting taking Hebrew poetry to a level of metaphysical sophistication and devotional power it has not achieved since Peter Cole's selection includes poems from nearly all of Ibn Gabirol's secular and liturgical lyric

genres as well as a complete translation of the poet's long masterwork *Kingdom's Crown*. Cole's rich inventive introduction places the poetry in historical context and charts its influence through the centuries. Extensive annotations accompany the poems. This companion volume to Peter Cole's critically acclaimed *Selected Poems of Shmuel HaNagid* presents the first comprehensive selection of Ibn Gabirol's verse to be published in English and brings to life an astonishing body of poetry by one of the greatest Jewish writers of all time.

**Figuring Jerusalem** Sidra DeKoven Ezrahi, 2022-04-22 *Figuring Jerusalem* explores how Hebrew writers have imagined Jerusalem both from the distance of exile and from within its sacred walls. For two thousand years Hebrew writers used their exile from the Holy Land as a license for invention. The question at the heart of *Figuring Jerusalem* is this: how did these writers bring their imagination home in the Zionist century? Sidra DeKoven Ezrahi finds that the same diasporic conventions that Hebrew writers practiced in exile were maintained throughout the first half of the twentieth century. And even after 1948 when the state of Israel was founded but East Jerusalem and its holy sites remained under Arab control, Jerusalem continued to figure in the Hebrew imagination as mediated space. It was only in the aftermath of the Six Day War that the temptations and dilemmas of proximity to the sacred would become acute in every area of Hebrew politics and culture. *Figuring Jerusalem* ranges from classical texts biblical and medieval to the post 1967 writings of S. Y. Agnon and Yehuda Amichai. Ultimately DeKoven Ezrahi shows that the wisdom Jews acquired through two thousand years of exile as inscribed in their literary imagination must be rediscovered if the diverse inhabitants of Jerusalem are to coexist.
