Reading Stephen Sondheim Sandor Goodhart, 2000 Stephen Sondheim is arguably the most important writer for the American musical stage today, the equivalent in his field of Miller, Albee, O'Neill, and Williams. Yet he has rarely been treated seriously within the academy. Reading Stephen Sondheim: A Collection of Critical Essays is an attempt to remedy that situation. Bringing together scholars and critics from a wide variety of literary and theoretical perspectives, this book undertakes to examine all of Sondheim's major productions and themes. *New York Magazine*, 1992-06-15 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

Variety and Daily Variety Television Reviews, 1993-1994 Prouty, 1996-10 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors*. Miola's edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection, there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficult-to-accessible journals, newspapers, and other sources. This collection brings together these essays for the first time.
