To the tune of "Rock-a-Bye Baby".

Rock-a-bye, Moses in your cradle board, Rock a-bye, G up, Moses like David  
Rock-a-bye, Moses in your cradle board, Rock-a-bye, Moses like David  
Glad played your psalm, a lullaby song, ---- (Phrygian)  
Rocking and sleeping without any fear, Good Rock-a-bye board

Rock-a-bye, Moses in your cradle board, (Phrygian)  
Moses rockers you are your God,  
Glad's loving love guides a protection your love, (F#m 2 bars)  
And Moses never to get another board, (F#m 2 bars)

Moses is growing like a tree,  
His beloved God waits and he waits without any fear,  
His love gives a shelter with a hand of the world, (G#m 2 bars)  
And his love gives a shelter, with a hand of the world, (F#m 2 bars)  
(F#m 2 bars)

Rocking his Moses to the sleep and day,  
Moses now the stone is ready for the day,  
It is a good and beautiful day, and the good day is day, (F#m 2 bars)  
Then, God speaks to Moses, Rock-a-bye, your Moses, (F#m 2 bars)

**The Song of Moses and Other Poems** Seymour Mayne,1995      Gethsemane and Other Poems Thomas Galland Horton,1858      *The tinker of Swaffham: with other poems and translations* J. Walker,1869      "The" Holy Bible: Genesis to Deuteronomy. 1853 ,1853      A Dictionary of the Bible: Kir-Pleiades James Hastings,1902      Psalms and Story James Washington Watts,1992-01-01 This book addresses the literary historical and methodological issues which have been raised by the appearance of psalms in narrative contexts of the Hebrew Bible The narrative role of each psalm is explored to determine the reasons for its present position The study of each psalm s narrative role leads to a re evaluation of the evidence for its secondary status in the prose context The results of each separate analysis are compared to see what larger literary historical and methodological patterns emerge      Catalogue of the Private Library of the Late Hon. Albert G. Greene ,1869      Hannevi'ah and Hannah Nancy C. Lee,2015-09-11 Is it possible to discern women prophets utterances embedded within lyrics of prophetic books If so women prophets would be represented as implied composers along with men This study offers a reliable method in this effort based on the sound patterns of lyrical Hebrew that disclose a consistent clear signature of women s oral composing more broadly and a different signature of men s composing across all lyrical genres and historical periods Integrating feminist postcolonial and indigenous cultural approaches as well this inquiry moves past closed doors of previous suppositions including that ancient Israel was simply patriarchal This methodological key when turned unlocks and throws open a window on a significant women s Hebraic composing tradition resounding in texts where women s voices are attributed and where they are unattributed It also brings a new appreciation of a practice at times of female and male prophets lyricizing in partnership in a culture whose women individually or as a group were not always given credit for their contributions      Collective Memory and Collective Identity Johannes Unsok Ro,Diana Edelman,2021-03-08 Collective memory has attracted the attention and discussion of scholars internationally across academic disciplines over the past 40 50 years in particular It and collective identity have become important issues within Hebrew Bible Old Testament studies the role collective memory plays in shaping collective identity links the two organically Research to date on memory within biblical studies broadly falls under four approaches 1 lexical studies 2 discussions of biblical historiography in which memory is considered a contributing element 3 topical explorations for which memory is an organizing concept and 4 memory and transmission studies The sixteen contributors to this volume provide detailed investigations of the contours of collective memory and collective identity that have crystallized in Martin Noth s Deuteronomistic History Deut 2 Kgs Together they yield diverse profiles of collective memory and collective identity that draw comparatively on biblical ancient Near eastern and classical Greek material employing one of more of the four common approaches This is the first volume devoted to applying memory studies to the Deuteronomistic History      *The Female Poets of America* Rufus Wilmot Griswold,1874

**On the Slaughter** Hayim Nahman Bialik,2025-10-14 The first comprehensive English translation of a Russian Jewish

master's poetry from the fiery poems he wrote in the wake of the pogroms of the early 20th century to his sublime lyrics about longing and self reflection On the Slaughter named for Bialik's most famous poem also includes a sample of the poet's work for children and an impassioned introduction by the collection's translator MacArthur winner Peter Cole Few poets in the history of Hebrew have possessed the power and prescience of Hayim Nahman Bialik Born in 1873 in a small Ukrainian village he spent his most productive years in Odessa and in his fifties made his way to British Mandatory Palestine He died in Vienna in 1934 Bialik's body of work opened a path from the traditional Jewish world of Eastern Europe into a more expansive Jewish humanism In a line that stretches back to the Bible and the Hebrew poetry of Muslim and Christian Spain he stands out in the words of Maxim Gorky as a modern Isaiah To this day he remains an iconic and shockingly relevant poet essayist and tutelary spirit Translated and introduced by MacArthur winning poet Peter Cole On the Slaughter presents Bialik for the first time in English as a masterful artist someone far more politically and psychologically unsettling than his reputation as the national poet of the Jewish people might suggest This compact collection offers readers a panoramic view of Bialik's inner and outer landscapes his visionary poems of wrath respond in startling fashion to the devastations of pogroms and a Jewish community in crisis while his quietly sublime lyrics of longing doubt and withering self assessment bring us into the silence at the heart of his art The volume also includes a sampling of slyly sophisticated verse for children and a moving introduction that bridges Bialik's moment and our own
