Runte,2023-10-09 The phenomenal development of writing and literary creation among the francophone communities of eastern Canada has gone largely unnoticed and unprobed outside the fragmented land of Acadia Writing Acadia attempts for the first time to observe from a distance the invention of literature in oral Acadia and to interpret assess and order the manifold manifestations of the transition from epic story telling to writing as a means of nation building Having begun to write modern Acadia has truly re written herself into existence an existence now threatened by postmodern unwriting of literature Destined not only for specialists but also and especially for readers with a general interest in literature including students of all levels Writing Acadia presents generous samples of Acadian poetry drama and prose with accompanying English translations **Treasures of the North (Yukon Quest Book #1)** Tracie Peterson,2001-01-01 Could They Fulfill Their Dreams in this Untamed Land Driven by desperation Grace Hawkins must forsake the affluent comfort of her upbringing to save herself from an arranged marriage Disillusioned by her father's insistence she forges a daring plan to escape the sinister hand of her intended Peter Colton sees the Alaskan gold rush as an opportunity to establish his family's fledgling shipping business An unexpected partnership enables him to pursue those dreams and opens the door to an acquaintance with Grace who has purchased passage north Drawn together by need and circumstance Grace and Peter form a faltering friendship But when her deserted fiance continues to manipulate her loved ones can she find peace in the wake of his wrath *The Meeting Place.
