Dann, 2005 In John R Dann s thrilling and romantic prehistoric saga *Song of the Axe* the tribe s chieftain was called Grae after a famous ancestor Now Dann returns to tell the saga of the wanderings of one prehistoric tribal family over several generations always led by that famous original Grae and by his children The powerful daughters of River Woman saved young Grae from a flooded river after a volcano erupted and destroyed their tribal home Then they made him chief but that s almost the last thing they agree on before the tribe splinters Grae leads the main group out of Africa ever northward into central and eastern Europe always searching for safety and a better life Challenged by truly monstrous evil tribes but guided by spirits they survive It takes three generations and three chieftains named Grae before the tribe comes to rest Their story is an adventure on the grandest scale full of dangers romance and beguiling mystery in an exotic setting A rich and

complex story told with simplicity authenticity and vigor Song of the Earth is a worthy companion to Song of the Axe

The First Book of Gabriel Gabe Rispoli Jr, 2015-10-21 From the time before the great pyramids were built an ancient prophecy foretold that for the sake of humanity when nature could no longer absorb the abuse of man a newborn of unknown blood would walk among us Led by the divinity of elders he will change the world Join Gabriel and his close companions on this journey of mystery danger and intrigue As Gabriel must interpret riddles to find the path to the light he must also learn on the way As this journey will teach Gabriel about the altered genesis of man and his aggressive nature for self fulfillment it will also teach of man s forced dominance of women and the abusive unequal treatment inflicted upon them from the beginning to this day Then the last but the most important lesson of all is the nature of this world and the destructive imbalance that has been caused by man And within the imbalance of man and nature Gabriel must learn how this balance can be restored The ecological problems with the planet are at the heart of this imbalance As Gabriel learns what s needed to start the reversal of all the damages he learns the secret of why this world is so special and the true meaning of God
