Sources Of The West Vol Ii Readings In Western Civilization:

Sources of the West, 1995 Sources of the West, 1998 Sources of the West Mark A. Kishlansky, Victor Louis Stater, 2003 Volume II from 1600 to the Present **Sources of The Making of the West, Volume II: Since 1500** Katharine J. Lualdi, 2012-01-12 Designed to accompany The Making of the West Peoples and Cultures Fourth Edition and The Making of the West A Concise History Fourth Edition Pref *Perestroika!* Kristen Renwick Monroe, 2005-09-30 An examination of the movement that has turned the discipline of political science upside down This superb volume describes the events and ramifications of a revolt within the political science discipline that began in 2000 with a disgruntled e mail message signed by one Mr Perestroika The message went to seventeen recipients who quickly forwarded it to others and soon the Perestroika revolt became a major movement calling for change in the American political science community What is the Perestroika movement Why did it occur What has it accomplished What remains to be done Most important what does it tell us about the nature of political science about methodological pluralism and diversity about the process of publishing scholarly work and about graduate education in the field The contributors to the book thoughtful political scientists who offer a variety of perspectives set the Perestroika movement in historical and comparative contexts They address many topics related to heart of the debate a desire for tolerance of methodological diversity and assess the changes that have come in the wake of Perestroika For political scientists and their graduate students and for those interested in the history or sociology of Social Sciences this volume is essential reading *Sources of the West: From the beginning to 1648* Mark A. Kishlansky, 1995-01-01 Sources of the West Mark A. Kishlansky, 2003 Sources of the West: From the ancien regime to the present Mark A. Kishlansky, 1991 **Sources of The Making of the West, Volume I: To 1750**, 2012 Thoroughly revised and expanded this two volume primary source collection provides written and visual sources to accompany each chapter of The Making of the West and The Making of the West A Concise History Each chapter features five to six sources both classic and lesser known that reinforce the major political economic social and cultural developments covered in the textbook **Teaching the Novel across the Curriculum** Colin C. Irvine, 2007-11-30 Instructors at all levels are being encouraged to teach writing in their courses even in subjects other than English Because the novel reflects a broad set of human experiences and history it is the ideal vehicle for learning about a wide range of issues This book helps educators learn how to incorporate novels in courses in English the humanities social and behavioral sciences and professional studies The chapters focus on using the novel to explore ethical concerns multiculturalism history social theory psychology social work and education The book looks at major canonical works as well as graphic novels and popular literature Language arts are at the forefront of education these days Instructors at all levels are being encouraged to teach writing in their courses even if those courses cover subjects other than English Literature instructors have long used fiction to teach composition But because the novel reflects a broad range of human experiences and historical events it is the ideal medium for learning about

contemporary social issues This book helps educators learn how to use the novel in courses in English the humanities social and behavioral sciences and professional studies The book is divided into broad sections on general education classes multiculturalism literature classes humanities courses classes in social behavioral and political sciences and professional studies such as social work and teacher training Each section includes chapters written by gifted teachers and provides a wealth of theoretical and practical information While the book examines major canonical works such as *Hard Times* *Billy Budd* and *Invisible Man* it also looks at graphic novels science fiction and popular contemporary works such as *Finishing School* and *Jarhead* Chapters reflect the personal successes of their authors and cite works for further reading
