

The background of the entire cover is a painting of a woman with long dark hair in a braid, wearing a long, flowing blue and white dress. She is shown from the side, with her arms outstretched towards the right. The background is dark and moody, with shades of blue and green, suggesting a night scene or a stormy atmosphere.

Sugar Rain Paul Park,1990-10-01 **New Maps: More Uncollected John Sladek** John Sladek, *Ragnarok* Paul Park,2011-05-17 After the end of the world there s still love And revenge And a particular Glock Nine A tale of post apocalyptic Iceland told in the manner of the ancient verse Eddas by acclaimed science fiction author Paul Park At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **The Cult of Loving Kindness** Paul Park,1991 Story of the world of Starbridges where in the jungle city of Charn a strange ecstatic religion is beginning to blossom **Look at the Evidence** John Clute,2016-11-24 For more than 50 years John Clute has been reviewing science fiction and fantasy Look at the Evidence is a collection of reviews from a wide variety of sources including Interzone the New York Review of Science Fiction and Science Fiction Weekly about the most significant literatures of the twenty first century science fiction fantasy and horror the literatures Clute argues should be recognized as the central modes of fantastika in our times It covers the period between 1987 and 1992 **Science Fiction and Fantasy Literature, 1975-1991** R. Reginald,Mary Wickizer Burgess,Daryl Furumi Mallett,1992 Science fiction constitutes one of the largest and most widely read genres in literature and this reference provides bibliographical data on some 20 000 science fiction fantasy and horror fiction books as well as nonfiction monographs about the literature A companion to Reginald s Science Fiction and Fantasy Literature 1700 1974 Gale 1979 the present volume is alphabetically arranged by approximately 10 000 author names The entry for each individual work includes title publisher date and place published number of pages hardbound or paperback format and type of book novel anthology etc Where appropriate entries also provide translation notes series information pseudonyms and remarks on special features such as celebrity introductions Includes indexes of titles series awards and doubles for locating volumes containing two novels Annotation copyright by Book News Inc Portland OR

Writing Fundamentalism Axel Stähler,Klaus Stierstorfer,2009-05-27 Given its discursive amplification and its very real impact on contemporary societies fundamentalism has become the focus of much scholarly attention However whereas it is commonly recognized to be centred on texts the complex and at times paradoxical relationship of fundamentalism with literature remains as yet largely unexplored Based on new research by an international team of scholars working in the fields of literary and cultural studies the essays gathered in this volume are based on a number of theoretical frameworks and debates and open up a historical perspective which engages critically with received notions of fundamentalism by exploring literary representations of fundamentalisms and the function of literature in fundamentalism they enquire into the underlying generic differences and incompatibilities as well as perhaps more unexpected the similarities and affinities between fundamentalism and literature Opening up a historical perspective reaching back to the early sixteenth century concepts of fundamentalism as a response to exclusively modernist tendencies since the beginning of the twentieth century are challenged in this volume and several contributors begin to explore the rise of fundamentalisms at various points in history

characterized by the crisis experience of cultural change While taking this conceptual base as a point of departure the articles collected here then spread out on a plurality of theoretical frameworks Alert to the productive friction between these discourses which it aims to elicit the volume confronts earlier research in the disciplines of theology history of religion sociology political history anthropology and if less copious literary studies with postcolonial and cultural studies With its general focus on writing in English including American and British literatures as well as the new literatures in English worldwide the collection takes into account cultural and historical affinities and differences which have contributed to the ongoing negotiations of fundamentalism and literature in the English language and transcends borders of both nations and academic disciplines In exploring new perspectives on fundamentalism and literature the volume offers tools for a better understanding of this interrelation which should be of interest to scholars across all disciplines concerned with fundamentalism as a social and cultural phenomenon of ever growing global importance and impact Sequels Janet G.
