Why Suicide Is Amoral Robyn Gaier,2024-06-25 Moral evaluations of actions are only appropriate for actions within the moral domain Actions outside of the moral domain are amoral actions In *Why Suicide Is Amoral A Philosophical Account* Robyn Gaier emphasizes the role of agency in determining whether an action is within the moral domain If an agent lacks either deliberative agency or moral agency then their action is amoral An agent lacks deliberative agency if they cannot evaluate and act upon reasons and moral agency if they cannot act upon moral reasons Actions in which such agencies are compromised are also amoral actions In treating actions of suicide while granting their diversity this book traces them to the loss or threat of loss of basic psychological needs Gaier argues that when basic psychological needs are lost or under threat an agent s deliberative agency moral agency or both are either lacking or compromised Hence actions of suicide are amoral and it is a conceptual mistake to attempt the moral evaluation of actions of suicide Furthermore when we regard actions of suicide as within the moral domain we perpetuate a social stigma against suicide *Out of the Darkness (Excerpts)* Richard Hallson, *Preaching Hope in Darkness* Scott M. Gibson,Karen E. Mason,2020-11-23 How can a preacher best address suicide from the pulpit Pastors face many challenges Suicide in a congregation is amongst the most heart rending and intimidating However the preacher has a unique capacity to engender gospel hope for preparing the congregation and

comforting the bereaved To do so preachers need help understanding the challenges and opportunities presented by addressing suicide from the pulpit In *Preaching Hope in Darkness* two practitioners in fields that do not typically interact homiletics Scott M Gibson and psychology Karen Mason work together to support the preacher in this difficult task Gibson and Mason offer wise advice on a range of topics such as suicide prevention post crisis care and funeral sermon preparation With an appendix of sample sermons and a sample funeral liturgy *Preaching Hope in Darkness* is an essential go to guide for this difficult topic

The Essentials of Suicide Prevention Karen Mason, 2023-01-24 Suicide is a growing tragedy in the US and in the church We can stop the climbing numbers of suicide deaths but it is going to take everyone working together including the church Without the church suicidal people may not hear the life affirming messages they need to hear Without an informed church people who have lost loved ones to suicide may leave the church Too often the church watches from the sidelines not knowing what to do Why is it that the wider secular culture is more engaged in suicide prevention than God's people especially given that Christians care deeply about the sanctity of life The apostle Paul modeled suicide prevention for the church when he stopped the suicide of the Philippian jailer But pastors and congregants may not know how to follow his example The result is that people who struggle with suicide or who have lost loved ones to suicide wonder if the Bible or their church have anything relevant to say about suicide This book will provide the resources needed to help prevent suicide in a church even when a church does not want to start one more program
