William Logan

Sullen Weedy Lakes Poems

Daniela Niemeyer

Sullen Weedy Lakes Poems:

Sullen Weedy Lakes William Logan, 1988 A collection by William Logan *Complete Poetry and Selected Prose* John Donne, 1929 *Our Savage Art* William Logan, 2009 This collection of essays critically evaluates Robert Lowell's correspondence Elizabeth Bishop's unfinished poems the inflated reputation of Hart Crane the loss of the New Critics and a damning and already highly controversial indictment of an edition of Robert Frost's notebooks The book also includes essays on Derek Walcott and Geoffrey Hill two crucial figures in the divided world of contemporary poetry and an attempt to rescue the reputation of the nineteenth century poet John Townsend Trowbridge Short reviews consider John Ashbery Anne Carson Billy Collins Rita Dove Louise Glück Jorie Graham Robert Hass Seamus Heaney and more **The Complete Poetry and Selected Prose of John Donne** John Donne, 2001-08-14 This Modern Library edition contains all of John Donne's great metaphysical love poetry Here are such well known songs and sonnets as A Valediction Forbidding Mourning The Extasie and A Nocturnall Upon S. Lucie's Day along with the love elegies Jealousie His Parting From Her and To His Mistress Going to Bed Presented as well are Donne's satires epigrams verse letters and holy sonnets along with his most ambitious and important poems the Anniversaries In addition there is a generous sampling of Donne's prose including many of his private letters Ignatius His Conclave a satiric onslaught on the Jesuits excerpts from Biathanatos his celebrated defense of suicide and his most famous sermons concluding with the final Death's Duell We have only to read Donne wrote Virginia Woolf to submit to the sound of that passionate and penetrating voice and his figure rises again across the waste of the years more erect more imperious more inscrutable than any of his time **Sermons. Letters. Poems** John Donne, Henry Alford, 1839 **Broken Ground** William Logan, 2021-05-11 In *Broken Ground* William Logan explores the works of canonical and contemporary poets rediscovering the lushness of imagination and depth of feeling that distinguish poetry as a literary art The book includes long essays on Emily Dickinson's envelopes Ezra Pound's wrestling with Chinese Robert Frost's letters Philip Larkin's train station and Mrs Custer's volume of Tennyson each teasing out the depths beneath the surface of the page *Broken Ground* also presents the latest run of Logan's infamous poetry chronicles and reviews which for twenty five years have bedeviled American verse Logan believes that poetry criticism must be both adventurous and forthright and that no reader should settle for being told that every poet is a genius Among the poets under review by the preeminent poet critic of his generation and most hated man in American poetry are Anne Carson Jorie Graham Paul Muldoon John Ashbery Geoffrey Hill Louise Glück John Berryman Marianne Moore Frederick Seidel Les Murray Yusef Komunyakaa Sharon Olds Johnny Cash James Franco and the former archbishop of Canterbury Logan's criticism stands on the broken ground of poetry soaked in history and soiled by it These essays and reviews work in the deep undercurrents of our poetry judging the weak and the strong but finding in weakness and strength what endures [The Undiscovered Country](#) William Logan, 2008-12-22 William Logan has been called both the preeminent poet critic of his generation and the most hated man in American poetry For more than a

quarter century in the keen witted and bare knuckled reviews that have graced the New York Times Book Review the Times Literary Supplement London and other journals William Logan has delivered razor sharp assessments of poets present and past Logan whom James Wolcott of Vanity Fair has praised as being the best poetry critic in America vividly assays the most memorable and most damning features of a poet's work While his occasionally harsh judgments have raised some eyebrows and caused their share of controversy a number of poets have offered to do him bodily harm his readings offer the fresh and provocative perspectives of a passionate and uncompromising critic unafraid to separate the tin from the gold The longer essays in *The Undiscovered Country* explore a variety of poets who have shaped and shadowed contemporary verse measuring the critical and textual traditions of Shakespeare's sonnets Whitman's use of the American vernacular the mystery of Marianne Moore and Milton's invention of personality as well as offering a thorough reconsideration of Robert Lowell and a groundbreaking analysis of Sylvia Plath's relationship to her father Logan's unsparing verse chronicles present a survey of the successes and failures of contemporary verse Neither a poet's tepid use of language nor lackadaisical ideas nor indulgence in grotesque sentimentality escapes this critic's eye While railing against the blandness of much of today's poetry and the critics who trumpet mediocre work Logan also celebrates Paul Muldoon's high comedy Anne Carson's quirky originality Seamus Heaney's backward glances Czeslaw Milosz's indictment of Polish poetry and much more Praise for Logan's previous works *Desperate Measures* 2002 When it comes to separating the serious from the fraudulent the ambitious from the complacent Logan has consistently shown us what is wheat and what is chaff The criticism we remember is neither savage nor mandarin There is no one in his generation more likely to write it than William Logan Adam Kirsch Oxford *American Reputations of the Tongue* 1999 Is there today a more stringent caring reader of American poetry than William Logan *Reputations of the Tongue* may at moments read harshly But this edge is one of deeply considered and concerned authority A poet critic engages closely with his masters with his peers with those whom he regards as falling short This collection is an adventure of sensibility George Steiner William Logan's critical bedevilmments as well as his celebrations are indispensable Bill Marx Boston Globe All the Rage 1998 William Logan's reviews are malpractice suits Dennis O Driscoll *Verse* William Logan is the best practical critic around Christian Wiman Poetry

Conversant Essays James McCorkle, 1990 *Coraline: Poems* Thomas Bennett (of Brighton, Eng.), 1879 **The Whispering Gallery** William Logan, 2005 The poems here delve into what William Logan calls the ill lit kingdom of the past The book is haunted by the dead but equally penitent toward the rich insinuations of the living the lost floral paradise of the Florida outlands the steamy Gatsby summers of a Long Island childhood the frozen stones of a colonial burying ground This new collection of seventy two poems will allow readers to delight in the richness of Logan's language and the boldness of his vision **Ecstatic Occasions, Expedient Forms** David Lehman, 1996 An unexpectedly entertaining collection of writing by poets discussing the creative inspiration and artistic form of their work The American Humanities Index Stephen H. Goode, 1991 **John**

Donne: The Critical Heritage A.J. Smith, 2002-09-11 Contains writings about John Donne from 1873 to 1923 including Henry Morley Edmund Gosse W F Collier Rudyard Kipling Charles Eliot Norton Henry Augustin Beers Thomas Hardy W B Yeats Ezra Pound T S Eliot and many others Together these works present a record of how from the nineteenth century onwards critics viewed Donne and how he became part of today's literary canon **In the American Grain**

AAVV, 2022-01-31 We are pleased to present to our European readers *In The American Grain* This anthology is a fine selection of the best contemporary American poets who have won the most important awards of the American literary critics in recent years Among the poems collected in this anthology you will have the chance to read the verses of illustrious authors such as Forrest Gander Rae Armantrout and Vijay Sheshadri winners of the prestigious Pulitzer Prize Present as well several other authors recognised by the critics of the Walt Whitman Award Ruth Lilly Poetry Prize Agnes Lynch Starrett Prize Griffin Poetry Prize and the Young People's Poet Laureate It is an important opportunity for us to bring the best of American poetry to European readers something not too well known to the wide readership in Europe We therefore invite our readers to surprise themselves and discover new verses through the purest example of an art that is deeply alive in the USA flowing impetuously through American veins **John Donne: Collected Poetry**

John Donne, 2012-10-04 Regarded by many as the greatest of the Metaphysical poets John Donne 1572-1631 was also among the most intriguing figures of the Elizabethan age A sensualist who composed erotic and playful love poetry in his youth he was raised a Catholic but later became one of the most admired Protestant preachers of his time The *Collected Poetry* reflects this wide diversity and includes his youthful songs and sonnets epigrams elegies letters satires and the profoundly moving *Divine Poems* composed towards the end of his life From joyful poems such as *The Flea* which transforms the image of a louse into something marvellous to the intimate and intense *Holy Sonnets* Donne breathed new vigour into poetry by drawing lucid and often startling metaphors from the world in which he lived His poems remain among the most passionate profound and spiritual in the English language *Madame X*

William Logan, 2012-09-25 A new collection by one of our foremost masters of free verse as well as formal poetry The moody poems in *Madame X* the author's tenth collection find their subjects in the byways of the past two centuries Henry James visits his birthplace the most beautiful woman in Europe ends up in a barrel at a fun fair and a minor writer succumbs to tuberculosis at a German spa In the title poem the portrait of *Madame X* offers our century a lesson in seduction but such public shows are balanced by poems of private desire of whispers of age of the present always vanishing before us These densely figured poems rich in language and appointment argue for a knowledge not sustained by the everyday This is a triumphant collection of shimmering intensities and hard truths National Book Critics Circle Award winner William Logan is one of the most technically gifted poets of his generation his work has frequently elicited comparison to W H Auden and Robert Lowell and has been called brilliant formidable passionate and cranky Donald Hall has written of him that he writes like an angel an elegant literary angel and Sven Birkerts has commented that he is like the eel in the well a purifying agent

This new volume of fifty four poems displays Logan s trademark refinement and classicism **Rift of Light** William Logan,2017-10-03 New work from a poet who seems to be getting stronger with each collection David Yezzi The New Criterion William Logan is widely admired as one of our foremost masters of free verse as well as formal poetry his classical verve conjures up the past within the present and the foreshadowings of the present within the past In their sculptural turns their pleasure in the glimmerings of the sublime while rummaging around in the particular the poems in Rift of Light Logan s eleventh collection are a master class of powerful feeling embedded in language Ranging from Martin Luther to an abandoned crow from a midwife toad to a small town janitor from actress Louise Brooks to D rer s stag beetle Logan shows an encyclopedic attention to the passing world Dry witty skeptical these dark and acidic poems prove a constant and informing delight *Eucharistic Poetry* Eleanor Jane McNees,1992 Ranging from the Anglican eschatological vision of John Donne to the Roman Catholic incarnational mode of Gerard Manley Hopkins to the search for spiritual presence in the modern world of spiritual absence confronted by Dylan Thomas and Geoffrey Hill this book argues for a poetics of real presence **The Fortnightly** ,1890 **The Book Lover's Guide to Florida** Kevin M. McCarthy,1992 Here is the book lover s literary tour of Florida an exhaustive survey of writers books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library Publisher
