**Religions of the World** J. Gordon Melton,Martin Baumann,2010-09-21 This masterful six volume encyclopedia provides  
comprehensive global coverage of religion emphasizing larger religious communities without neglecting the world's smaller  
religious outposts Religions of the World Second Edition A Comprehensive Encyclopedia of Beliefs and Practices is an  
extraordinary work bringing together the scholarship of some 225 experts from around the globe The encyclopedia's six  
volumes offer entries on every country of the world with particular emphasis on the larger nations as well as Indonesia and  
the Latin American countries that are traditionally given little attention in English language reference works Entries include  
profiles on religion in the world's smallest countries the Vatican and San Marino profiles on religion in recently established  
or disputed countries Kosovo and Nagorno Karabakh as well as profiles on religion in some of the world's most remote places  
Antarctica and Easter Island Religions of the World is unique in that it is based in religion on the ground tracing the  
development of each of the 16 major world religious traditions through its institutional expressions in the modern world its  
major geographical sites and its major celebrations Unlike other works the encyclopedia also covers the world of religious  
unbelief as expressed in atheism humanism and other traditions      **Clergy Education in America** Larry Abbott

Golemon,2021-01-19 In Clergy Education in America Larry Golemon shows not only how our conception of professionalism in  
religious life has changed over time but also how the education of religious leaders has influenced American culture Tracing  
the history of clergy education in America from the Early Republic through the first decades of the twentieth century Clergy  
Education in America offers a sweeping look at an oft overlooked but critically important aspect of American public life
