Summer Day:

Summer's Day 1950 and Other Life Stories Robert Klassen, 2003-05-25 The thrill of autobiography is in its character We hope to have introduced into our lives a life we've never met a life of difference that whatever we may think of this stranger we emerge the better for hearing his or her story Robert Klassen is a stranger I urge you to meet He will not be a total stranger to many for his books and ideas have introduced us to a new paradigm for the future But just wait until you meet the author as a person Survival is his challenge How he does it is his gift to us Joe Taylor Ford author of *Zodiac Manager*

Murder on a Summer's Day Frances Brody, 2016-02-09 Kate Shackleton is called upon to investigate the murder of Maharajah Narayan *A Very Long Summer's Day* Brian Schmidt, 2023-10-27 While looking through a very old telescope belonging to his grandfather Phil sees a town that isn't there He peers through the open door of a house and gets pulled through the telescope and deposited on the floor of its living room He is quite surprised when Nanny a goat begins speaking to him Phil finds himself in a land of magic And not a very nice kind of magic Here when a little girl wants a pony another child loses a pony A group of animal lovers thought it would be a great idea for animals to have the same rights as people Their misguided idealism put Nanny in the body of a goat and a goat in Nanny's body Many years before when Phil's grandfather was young he'd visited the land Seemingly just by being there the land changed for the better Nanny believes Phil could do the same and in the process be the key to getting her body back Nanny decides to take Phil to the capital A Very Long Summer's Day is the story of their travels through a realm filled with quirky characters magic and wizards who have their own plans for Phil It's reminiscent of books TV shows and movies that are fun for all ages as a lot of the references and humor pass over the heads of the younger ones It's sure to become a family favorite 2 **Death on a Summer's Day**
