Harrod-Eagles, 2011-08-25 Brilliant a definite page turner They combine real historical events with fascinating fictional characters The twenty three volumes of the Morland Dynasty series has been completely repackaged in the most elegant style using contemporaneous artwork for each period This wonderful series opens with the back drop of the Wars of the Roses with the marriage between Eleanor Morland and a scion of the influential house of Beaufort It is a union which establishes the powerful Morland dynasty and in the succeeding volumes of this rich tapestry of English life we follow their fortunes through war and peace political upheaval and social revolution times of pestilence and periods of plenty and through the vicissitudes which afflict every family love and passion envy and betrayal birth and death great fortune and miserable penury The Morland Dynasty is entertainment of the most addictive kind The British Motor Industry, 1945-94 Timothy

Whisler, 1999-05-06 A fascinating and well researched look at the British motor industry which will appeal to both academic readers and practitioners alike Why are there now no major car manufacturers in Britain Whisler considers this and the surrounding issues making valuable comparisons with overseas manufacturers operating both in the UK and abroad which provide us with additional interest and insight Based upon careful use of company archives this book covers in particular the issues of product development quality design and range ensuring that The British Motor Industry is destined to make a

distinctive contribution to our understanding of the performance of UK manufacturers **Neil Simon's Memoirs** Neil Simon, 2016-11-08 The complete memoirs of Neil Simon the greatest and most successful American playwright of all time the author of such iconic works as Lost in Yonkers The Odd Couple Biloxi Blues and The Goodbye Girl now with an insightful Introduction by Nathan Lane This omnibus edition combines Neil Simon's two memoirs Rewrites and The Play Goes On into one volume that spans his extraordinary five decade career in theater television and film Rewrites takes Simon through his first love his first play and his first brush with failure There is the humor of growing up in Washington Heights the inspiration for his play Brighton Beach Memoirs where despite his parents rocky marriage and many separations he learned to see the funny side of family drama as when his mother thought she saw a body on the floor in their apartment and it turned out to be the clothes his father discarded in the hallway after a night of carousing He describes his marriage to his beloved wife Joan and writes lucidly about the pain of losing her to cancer The Play Goes On adds to his life's story as he wins the Pulitzer Prize and reflects with humor and insight on his tumultuous life and meteoric career Neil Simon's terrific memoirs are worth revisiting New York Post Now with the whole story in one place he traces the history of modern entertainment over the last fifty years as seen through the eyes of a man who started life the son of a garment salesman and became the greatest and most successful American playwright of all time **London city poems ; Sonnets ; Lyrics and translations** John

Payne, 1902 Demos George Gissing, 1886 **Ambush at Central Park** Mark Bulik, 2023-04-25 A compelling action packed account of the only officially sanctioned IRA attack ever conducted on American soil In 1922 three of the Irish Republican Army's top gunmen arrived in New York City seeking vengeance Their target Cruxy O Connor a young Irishman who kept switching sides as revolution swept his country in the wake of World War I Cruxy's last betrayal dealt a stunning blow to Ireland's struggle for independence Six of his IRA comrades were killed when he told police the location of their safe house outside Cork A year later the IRA gunned him down in a hail of bullets before a crowd of horrified New Yorkers at the corner of 84th Street and Central Park West Based primarily on first hand accounts most of them never before published Ambush at Central Park is a cinematic exploration of the enigma of Cruxy O Connor Was he really a decorated war hero who became a spy for Britain When he defected to the IRA did his machine gun really jam in a crucial attack When captured did he give up his IRA comrades only under torture Was he a British spy all along Or was he pursuing a decades old blood feud between his family and that of one of his comrades A longtime editor at The New York Times author Mark Bulik delved through Irish government archives newspaper accounts census data and unpublished material from the families of the main actors Together they add to the sensational story of a rebel ambush a deadly police raid a dinner laced with poison a daring prison break a boatload of tommy guns on the Hoboken waterfront an unlikely pair of spies who fall in love and an audacious assassination plot against the British cabinet Gravely wounded and near death Cruxy refused to cooperate with the detectives investigating the case And so the spy who stopped spying and the gunman who stopped shooting became the

informer who wouldn't inform even at death's door Here is a forgotten chapter of Irish and New York history the story of the only officially authorized IRA attack on American soil The Poetical Works of John Payne John Payne, 1902 **Temple Bar** George Augustus Sala, Edmund Yates, 1899 **The Poets of Transcendentalism** George Willis Cooke, 1903

Rewrites Neil Simon, 2012-10-01 Neil Simon's plays are to some extent a reflection of his life sometimes autobiographical other times based on the experiences of those close to him What the reader of this warm nostalgic memoir discovers however is that the plays although grounded in Neil Simon's own experience provide only a glimpse into the mind and soul of this very private man In *Rewrites* he tells of the painful discord he endured at home as a child of his struggles to develop his talent as a writer and of his insecurities when dealing with what proved to be his first great success falling in love Supporting players in the anecdote filled memoir include Sid Caesar Jerry Lewis Walter Matthau Robert Redford Gwen Verdon Bob Fosse Maureen Stapleton George C Scott Peter Sellers and Mike Nichols But always at center stage is his first love his wife Joan whose death in the early seventies devastated him and whose love and inspiration illuminate this remarkable and revealing self portrait *Rewrites* is rich in laughter and emotion and filled with the memories of a sometimes sweet sometimes bittersweet life
