Teaching Against Islamophobia Joe L. Kincheloe, Shirley R. Steinberg, Christopher Darius Stonebanks, 2010 As corporate and governmental agencies march us towards global conflict racism and imperialism this book contends that teachers must have the tools with which to combat unilateral politicization of Arabic and Muslim peoples Teaching Against Islamophobia creates a pedagogical space for educators to engage with necessary issues and knowledges regarding the alienation of Islamic culture religion knowledge and peoples Edited by a WASP a Jew and an Iranian this book confronts the fears challenges and institutional problems facing today s teachers Taking its cue from critical pedagogy this book is a collection of essays by artists writers performers and educators committed to naming the insidious racism and hatred of those who would isolate and vilify Islam **Undivided** Patricia Raybon, Alana Raybon, 2015-04-28 Mom I have something I need to tell you They didn t talk Not for ten years Not about faith anyway Instead a mother and daughter tiptoed with pain around the deepest gulf in their lives the daughter s choice to leave the church convert to Islam and become a practicing Muslim Undivided is a real time story of healing and understanding with alternating narratives from each as they struggle to learn how to love each other in a whole new way Although this is certainly a book for mothers and daughters struggling with interfaith tensions it is equally meaningful for mothers and daughters who feel divided by tensions in general An important work for parents whose adult children have left the family s belief system it will help those same children as they wrestle to better understand their parents Undivided offers an up close and personal look at the life of an Islamic convert a young American woman at a time when attitudes are mixed about Muslims and Muslim women in particular but interest in such women is high For anyone troubled by the broader tensions between Islam and the West this personal story distills this friction into the context of a family relationship a journey all the more fascinating Undivided is a tremendously important book for our time Will Patricia be able to fully trust in the Christ who holds all things together Will Alana find new hope or new understanding as the conversation gets deeper between them And can they answer the question that both want desperately to experience which is Can we make our torn family whole again Sunan Nasā'ī: ch. 1-532, Adādh 1-878
