Sundance My Uncle:

Sundance, My Uncle Donna B. Ernst, 1992 A biography of the notorious outlaw Harry A Longabaugh better known as the Sundance Kid The Mythical West Richard W. Slatta, 2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America's most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody's Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlan the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs **Sundance's Kid** Cree Storm, 2020-12-06 Living in a lab for most of his life as an orangutan Evian had heard the words Trick or treat but never really experienced them until now Dressed up for a costume party Evian is mistaken for a real park ranger and shot Trick However his rescuer turns out to be his mate If Evian can save his mate from crazy evil brothers he can have his treat

Midnight Madness Cree Storm, 2016-11-04 Midnight has always struggled to understand why his parents would leave him alone and defenseless in the woods as a newborn. Now a man insists he has the answers to what happened and a future planned for him beyond any reasonable man's dream. Walking into the room and seeing six of the largest sexiest beast he had ever laid eyes on and another cutie in the corner surprised and piqued Midnight's interest. Discovering the body of the man Law had always looked at as the father he never knew was a rough day. Finding out that the man was not who he said he was was even harder. Now he is told that the only way he can keep his home and help his people is if he mates with not only one of the sexy men sitting across from him but also a man he has fought and argued with since the day he arrived on the Refuge Ranch. Shaw didn't know what the hell fate was thinking asking him to mate with Law and a young man he had never laid eyes on before. He didn't know if he could do it. Even after being told that the fate of all shifters and paranormals depended on him doing just that. Then shots are fired and people are fighting for their very lives. Can Law, Shaw and Midnight come together as fate has deemed or will the shifter world cease to exist.

Life and Death on the Mormon Frontier Stephen C. LeSueur, 2023-06-06 This thoroughly researched and vivid account examines a murderous spree by one of the West's most notorious outlaw gangs and the consequences for a small Mormon community in Arizona's White Mountains On March 27 1900 Frank LeSueur and Gus Gibbons joined a sheriff's posse to track and arrest five suspected outlaws The next day LeSueur and Gibbons who had become separated from other posse members were found brutally murdered The outlaws belonged to Butch Cassidy's Wild Bunch gang Frank LeSueur was the great uncle of the book's author Stephen C LeSueur In writing about the Wild Bunch historians have played up the outlaws daring heists and violent confrontations Their victims serve primarily as extras in the gang's stories bit players and forgotten names whose lives merit little attention Drawing upon journals reminiscences newspaper articles and other source materials LeSueur examines this episode from the victims perspective Popular culture often portrays outlaws as misunderstood and even honorable men Robin Hood figures but as this history makes clear they were stone cold killers who preferred ambush over direct confrontation They had no qualms about shooting people in the back The LeSueur and Gibbons families that settled St Johns Arizona served as part of a colonizing vanguard for the Church of Jesus Christ of Latter day Saints popularly known as Mormons They contended with hostile neighbors an unforgiving environment and outlaw bands that took advantage of the large mountain expanses to hide and escape justice Deprivation and death were no strangers to the St Johns colonizers but the LeSueur Gibbons murders shook the entire community the act being so vicious and unnecessary the young men so full of promise By focusing the historian's lens on this incident and its aftermath this exciting Western history offers fresh insights into the Wild Bunch gang while also shedding new light on the Mormon colonizing experience in a gripping tale of life and death on the Arizona frontier Praise for *Life and Death on the Mormon Frontier* Stephen LeSueur takes the reader on a ride into the dark murderous world of the Wild Bunch in the Mormon settlements of the Utah Arizona frontier A compelling deeply researched and well written study that will grab the attention of Old West historians Daniel Buck co author of *The End of the Road* Butch

Cassidy and the Sundance Kid in Bolivia Stephen LeSueur unearths the circumstances that led a gang of outlaws to kill Frank LeSueur the author's great uncle and Gus Gibbons near St Johns Arizona in 1900 LeSueur punctures popular myths about the Wild Bunch but the true history of poverty faithfulness criminality and family is more compelling and just as wild It's a hard book to put down John G Turner author of Brigham Young Pioneer Prophet Unlike romanticized versions of Western bandits Life and Death on the Mormon Frontier portrays a grittier authentic Old West in a manner that draws the reader into another era As a descendant of one of the many victims of Butch Cassidy's Wild Bunch LeSueur thoroughly and compellingly recounts the murder and its devastating effect on the family something often overlooked In the current climate of winking at contemporary scofflaws it is good to be reminded that character still counts and that its opposite still destroys Gregory A Prince author of David O McKay and the Rise of Modern Mormonism and Leonard Arrington and the Writing of Mormon History
