Sunday Times Small Gardens For Modern Living:

The Garden ,2001 A Little History of British Gardening Jenny Uglow,2012-10-31 Get out in your garden and discover the history hidden in the hedges Did the Romans have rakes Did the monks get muddy Did potatoes seem really really weird when they arrived on our shores Drawn from Jenny Uglow s own love for plants this lively potted history of gardening in Britain takes us on a garden tour from the thorn hedges around prehistoric settlements to the rage for ornamental grasses and outdoor rooms today Tracking down the ordinary folk who worked the earth from weeding women to florists as well as aristocrats and grand designers and famous plant hunters A Little History of British Gardening is brought to life by gorgeously vivid illustrations and Uglow s insightful wisdom Not only dealing with flowery meads grottoes and vistas landscapes and ha has parks and allotments Uglow explains for example how the Tudors made their curious knots how housewives used herbs to stop freckles how the suburbs dug for victory in World War II With a brief guide to particular historic or evocative gardens open to the public this is a book to put in your pocket when planning a crisp winter s day out but also to read in your armchair with a well earned glass of red after a hard day s graft in your own garden Enchanting stirringly evocative and fascinating Daily Mail This book will be a joy for any gardener Independent My Garden World Monty Don,2020-09-17 THE SUNDAY TIMES BESTSELLER BEST GARDENING BOOKS OF 2020 Sunday Times Every page a joy NIGEL SLATER From a very early age I loved the countryside as much as any garden and was fascinated by the life that I saw all around me from trees wildflowers birds insects and mammals In a sense this book has been over sixty years in gestation I have kept notebooks and journals ever since I could write and I have drawn upon these as well as the events of the past year Spend a year with Monty Don My Garden World is a celebration of every living creature and the natural world that we all share Recent times have given us the enforced opportunity to learn more about the fascinating natural world around us Whether you live in the countryside or the town Monty s observations and insights are relevant to each and every one of us My Garden World is Monty Don s personal journey through the natural year month by month season by season observed from the immediate world around him Wildlife is not something that we watch happening in remote and exotic parts of the world on our screens but right here in our own back yards and the more that we encourage it and learn to live with it the more rewarding it becomes If in our own modest back yards we can help preserve and treasure our natural world then we will make the world a better place not just for ourselves but for every living creature *Garden Life* ,1924 *The Church Times* ,1904 American Homes and Gardens ,1914 Country Life Illustrated ,1903 **Sunday School Times** ,1882 **The Athenaeum** ,1913 **Athenaeum** ,1860 *The Woman Citizen* ,1919 *The Spectator* ,1849 A weekly review of politics literature theology and art *Sunday School Journal for Teachers and Young People* ,1889 *New York Magazine* ,1984-10-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and

Because it's Saturday Gavin Bell,2020-08-10 Because it's Saturday is a compelling portrait of life in the professional grass roots of football far from the glitz and glamour of Premier League superstars Why does anyone travel from Grimsby to Accrington on a wet Tuesday night in November to watch players battling on a muddy pitch with more gusto than grace How do teams survive in half empty stadia and how does a Cotswolds village side owned by an ex hippy challenge the likes of Luton for promotion Award winning writer Gavin Bell spoke to the owners managers players and supporters of eight lower league sides over the course of a season to discover the fierce passions and loyalties that sustain clubs unlikely to win anything other than the devotion of their fans Going beyond the fields of dreams Bell explores the communities for whom these clubs are more than football teams From gritty northern towns blighted by post industrial decline to ivory towers of academia and a seaside resort riven by a fans civil war it's a rollercoaster ride of a season *Littell's Living Age* ,1877
