**lectures ...** Henry Maudsley, 1870 **Before the Beginning to Beyond the End** Cliff K.K. Lun, 2022-08-31 Life is full of big questions Who am I Why am I here Where am I going Where do the universe earth and humans come from Do humans have free will What is the meaning of life and death Do humans and animals have souls and spirits Where do good and evil come from Who is Satan What was his original offense Why does the devil tempt humans Why is there pain and suffering Can the nefarious attitudes in human spirits change for the better Before the Beginning to Beyond the End clearly presents answers to the above questions based in Scripture The book seeks to unpack the creation of the world and its implications for mankind through the lens of the Bible Furthermore it expounds on the cause for human s fall God s redemption plan Jesus s fulfillment of Messianic prophecies future events in the world and what will happen to us beyond the end of time

**BEYOND HEAVEN - THE QUANTUM POET** JULIAN MONES CAZON, The fabulous book Beyond Heaven takes us on a fascinating journey into the unexplored realms of spirituality and energy Through the author s words we are guided on a path that transcends the limitations of the material world and plunges us into the depths of universal consciousness The book focuses on a mystical encounter of the inner search that will transform the perception of reality Discover a vast universe of energy and frequency that underlies everything around us Throughout his journey concepts such as the law of vibration energetic resonance and the connection between mind body and spirit are explored As you absorb these teachings you begin to experience phenomena that defy conventional logic from the healing of emotional wounds to the conscious manifestation of your deepest desires As his understanding of energy and frequency deepens he is faced with challenges that test his faith and determination Through trials and tribulations he discovers that the path to spiritual transcendence is not always easy but that every obstacle is an opportunity to grow and evolve M s All del Cielo is a captivating story that invites us to question our entrenched beliefs and explore the hidden dimensions of existence As Ana discovers that we are much more than physical bodies the reader is also immersed in an odyssey of self discovery and expansion of consciousness Blending mysticism science and philosophy this spiritual masterpiece takes us on a transformative journey that challenges us to look beyond the visible and tune into the higher frequencies of the universe M s All del Cielo is a reminder that we are all connected by energy and vibration and that in our search for meaning we can discover a vast and beautiful panorama that transcends the borders of everyday reality The book reveals the spiritual key that has allowed it to recover its creative potential beyond

heaven is composed of a history of studies in the scientific area of internal activation of the Pineal gland All his experiencing endorses this new work of deepening where the activation and connection of this gland is only the consequence of a transcendental inheritance revealed today This world can be changed that our big questions about who we are what we do here and where we are going have been answered We must understand that our identity is perfect that we have the possibility of recovering and developing the best of us Knowing yourself from the beginning is the great key that returns to being your identity and your ability to reverse any situation even in current scenarios where we are prisoners of the avatars that affect us Everything is creation in permanent manifestation     The Supremacy of Man.
