

The background of the book cover is a dark, atmospheric illustration. It features a large, white, sculptural figure that appears to be a woman in a long, flowing dress, standing in a dark, rocky landscape. The figure's arms are outstretched, and her head is tilted back. The overall mood is mysterious and haunting.

The Dreaming Damozel:

Dreaming Damozel Mollie Hardwick,1992 **The Dreaming Damozel** Mollie Hardwick,1991 An antiques dealer Doran Fairweather Chelmarsh who collects pre Raphaelite paintings realizes that two murder victims resemble models used by the painter Rossetti and that some bizarre criminal activity is afoot **Reading Dante Gabriel Rossetti** Brian Donnelly,2016-03-03 A revolutionary figure throughout his career Dante Gabriel Rossetti's work provides a distinctly revolutionary lens through which the Victorian period can be viewed Suggesting that Rossetti's work should be approached through his poetry Brian Donnelly argues that it is both inscribed by and inscribes the development of verbal as well as visual culture in the Victorian era In his discussions of modernity aestheticism and material culture he identifies Rossetti as a central figure who helped define the terms through which we approach the cultural productions of this period Donnelly begins by articulating a method for reading Rossetti's poetry that highlights the intertextual relations within and between the poetry and paintings His interpretations of such poems as the Mary's Girlhood sonnets the sonnet sequence The House of Life and The Orchard Pit in relationship to paintings such as The Girlhood of Mary Virgin and Ecce Ancilla Domini shed light on Victorian ideals of femininity on consumer culture and on the role of gender hierarchies in Victorian culture Situating Rossetti's poetry as the key to all of his work Donnelly also makes a case for its centrality in its representation of the dominant discourses of the late Victorian period faith sex consumption death and the nature of representation itself

Come Away, Death Mollie Hardwick,2010-06-30 TILL DEATH DO THEM PART Doran Fairweather and her husband ex vicar Rodney Chelmarsh are both secretly relieved when she decides to sublet a friend's London apartment for a while Maybe the separation will put the spice back into their relationship But the flat is depressing her maid is strangely intimidating and the flat's owner is horribly murdered beside the Thames Then in a pre Tudor house with a curse upon it owned by a wonderful man who might have stepped out of Shakespeare Doran discovers another world There an unbroken connection with the past is so compelling that an oath of revenge sworn when Richard III ruled England still exerts its evil power even over Doran's innocent loved ones deep in the peaceful English countryside *The Orchestration of the Arts — A Creative Symbiosis of Existential Powers* M. Kronegger,2013-03-09 Regardless of the subject matter our studies are always searching for a sense of the universal in the specific Drawing etchings and paintings are a way of communicating ideas and emotions The key word here is to communicate Whether the audience sees the work as laborious or poetic depends on the creative genius of the artist Some painters use the play of light passing through a landscape or washing over a figure to create an evocative moment that will be both timeless and transitory The essential role of art remains what it has always been a way of human expression This is the role that our participants concentrate on as they discuss art as the expression of the spirit a creative act through which the artist makes manifest what is within him Spirit suggests the unity of feeling and thought Avoiding broad generalities our participants address specific areas in orchestration with music architecture literature and

Macadam Dreams Gis_le Pineau,2003-01-01 A cyclone inexorably sweeps Eliette into her past in this novel about the wayward violence of love and nature in Guadeloupe In *Macadam Dreams* the celebrated Creole writer Gis_le Pineau cunningly unveils the two cataclysms that have devastated Eliette s life first the cyclone of 1928 when she was only eight years old and now Hurricane Hugo whose destruction shatters the elaborate defenses the old woman has built around the sorrows and madness of her life in the small accursed town of Savane Mulet As Hugo unleashes its fury a final blow frees Eliette s repressed memories of madness isolation and loss and of the grievous failure of a prophecy that promised her a child A story of self discovery *Macadam Dreams* speaks eloquently of the violence and poverty endured by women of this island nation violence every bit as devastating and seemingly inescapable as the perpetually returning cyclone Viewed by many as a canonical author in the Creole movement in Francophone literature Pineau has created an extraordinary work that is recognized as a masterpiece of French Caribbean literature
