## **Snake In The Grass:**

*The Snake in the Grass* Charles Leslie, 1698      **Snake in the Grass** Larry Perez, 2012-09-20 A plague is spreading throughout the Florida Everglades The nonnative Burmese python one of the largest snakes on the planet is now known to be reproducing freely in the shallow waters of the famed River of Grass Over the past decade thousands of pythons have made themselves at home across the landscape And though scientists work feverishly to learn as much as possible about this unprecedented invader methods of control remain elusive Many questions remain in the wake of this troubling discovery How far north might Burmese pythons venture from the Everglades wilderness What might their presence mean for the countless birds and mammals some of them endangered with which south Florida has become synonymous And does history seem poised to repeat itself as new large reptiles are discovered to be thriving in the area s favorable climate An Everglades naturalist describes how the story unfolding in the Florida Everglades provides new opportunities to revisit our

understanding of wilderness and man s place within it      **Murder Of A Snake In The Grass** Denise Swanson, 2003-04-01 After over two years school psychologist Skye Denison is still in Scumble River trying to figure out why she s still in Scumble River But with all the town s quirks and crimes life there is never dull and besides it s home Scumble River is celebrating its bicentennial in style with Historical Society Reenactments a bingo tent Crazy Craft Race and a coal tossing tournament Serving as the guest of honor is none other than the town founder s great great grandnephew Gabriel Scumble But his visit turns out to be short lived when Skye s students Frannie and Justin find him dead a pickax protruding from the chest area of his authentic buckskin costume Meanwhile Skye s deceitful ex fianc Luc St Amant has appeared out of the blue creating turmoil in her love life Does the real danger lie in the possibility that Luc will drive away the men in Skye s life or is there a more menacing connection between Luc s arrival and Gabriel Scumble s murder When writers as sharp as Margaret Maron Earlene Fowler and Jerrilyn Farmer all rave about a colleague as convincingly as they have about Denise Swanson even the gruffest noir addict has to take notice Chicago Tribune      **Early American Proverbs and Proverbial Phrases** Bartlett Jere

Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together

according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious      **The Snake in the Grass** Mike Linley,1990 Text and photographs depict snakes feeding breeding and defending themselves in their natural habitats      **Snake in the Grass** Alan Ayckbourn,2004 Miriam has cared for her father in the family home during his vituperative last years with the help of a creepily polite nurse Alice On Father s death Miriam s older sister handsome divorced Annabel comes home after over thirty years in Tasmania to find Daddy has left the bulk of his fortune to her Alice complains to Annabel that Miriam has sacked her and is intent upon blackmail having evidence she says that Miriam did away with the old man Scatty Miriam and tough Annabel join forces against Alice and the blackmailer s body is soon hurtling down the well but all does not end there
