Snakeoil Dickens Man:

The Snake-oil Dickens Man Ross Gilfillan, 1998 It is 1867 and Charles Dickens has arrived in Boston on his second reading tour of America Meanwhile in Missouri Billy Talbot leaves town in search of his father who may be the writer His journey includes a chance meeting with Hope Scattergood a conman with his own interest in meeting Dickens *The Dickensian*, 1999 **The Edge of the Crowd** Ross Gilfillan, 2001 The Edge of the Crowd is the gripping story of the early days of photography and the search for lost love in Victorian London From the highly acclaimed author of The Snake oil Dickens Man London 1851 Among the teeming crowds visiting the Great Exhibition is the newspaper columnist Henry Hilditch whose sensational exposés of the lives and deprivations of the working class are the talk of bourgeois London But Hilditch has another agenda Mary Medworth the love he lost the previous summer in Florence has reappeared somewhere in the slums of London's East End Hilditch follows the trail from the splendour of Hyde Park to the squalor of Whitechapel encountering thieves gaolers kidnappers and false friends who may well lead him to his own destruction The photographer Cornelius Touchfarthing is Hilditch's last link to Mary But Touchfarthing is preoccupied with his own ambition to create an image so astonishing it will elevate the trade of photography into High Art Ross Gilfillan's second novel is a thrilling recreation of Victorian London and a moving story of love science and photography **The Strangest Man** Graham Farmelo, 2009-08-25 Paul Dirac was among the greatest scientific geniuses of the modern age One of Einstein's most admired colleagues he helped discover quantum mechanics and his prediction of antimatter was one of the greatest triumphs in the history of physics In 1933 he became the youngest theoretician ever to win the Nobel Prize in Physics Dirac's personality like his achievements is legendary The Strangest Man uses previously undiscovered archives to reveal the many facets of Dirac's brilliantly original mind **Cumulative Bibliography of Victorian Studies**, 2000 **Current Contents, April 12, 1999**, 1999 **Books Magazine**, 1998 **Red Dead Redemption** John Wills, Esther Wright, 2023-03-30 While the Western was dying a slow death across the cultural landscape it was blazing back to life as a video game in the early twenty first century Rockstar Games Red Dead franchise beginning with Red Dead Revolver in 2004 has grown into one of the most critically acclaimed video game franchises of the twenty first century Red Dead Redemption History Myth and Violence in the Video Game West offers a critical interdisciplinary look at this cultural phenomenon at the intersection of game studies and American history Drawing on game studies western history American studies and cultural studies the authors train a wide ranging deeply informed analytic perspective on the Red Dead franchise from its earliest incarnation to the latest Red Dead Redemption 2 2018 Their intersecting chapters put the series in the context of American history culture and contemporary media with inquiries into issues of authenticity realism the meaning of play and commercial promotion and the relationship between the game and the wider cultural iterations of the classic Western The contributors also delve into the role the series development has played in recent debates around working conditions in the gaming industry and gaming culture In its

redeployment and reinvention of the Western's myth and memes the Red Dead franchise speaks to broader aspects of American culture the hold of the frontier myth and the Wild West over the popular imagination the role of gun culture in society depictions of gender and ethnicity in mass media and the increasing allure of digital escapism all of which come in for scrutiny here making this volume a vital sweeping and deeply revealing cultural intervention *The Times Index*, 1998 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement **Book Review Index**, 2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index The Snake Oil Wars, Or, Scheherazade Ginsberg Strikes Again Parke Godwin, 1989 Science fiction fantasy **THE SNAKE OIL WARS** PARKE GODWIN, 1989 An Introduction to the Detective Story LeRoy Panek, 1987 This book traces the origins of the detective story presents the literary and cultural forces that have influenced it follows its development and discusses some of the major authors who have contributed to its evolution and popularity Adapted from the author's Preface Ottomiller's Index to Plays in Collections Denise L. The Devil's Dinner Stuart Walton,2018-10-09 Stuart Walton's The Devil's Dinner looks at the history of hot peppers their culinary uses through the ages and the significance of spicy food in an increasingly homogenous world The Devil's Dinner is the first authoritative history of chili peppers There are countless books on cooking with chilies but no book goes into depth about the biological gastronomical and cultural impact this forbidden fruit has had upon people all over the world The story has been too hot to handle A billion dollar industry hot peppers are especially popular in the United States where a superhot movement is on the rise Hot peppers started out in Mexico and South America came to Europe with returning Spanish travelers lit up Iberian cuisine with piri piri and pimientos continued along eastern trade routes boosted mustard and pepper in cuisines of the Indian subcontinent then took overland routes to central Europe in the paprika of Hungarian and Austrian dumplings devilled this and devilled that they've been everywhere The Devil's Dinner tells the history of hot peppers and captures the rise of the superhot movement

American Sucker David Denby,2005-04-07 In early 2000 the bottom dropped out of the life of writer David Denby when his wife decided to leave him Propelled to make some money quickly and seized by the irrational exuberance of the stock market then approaching its peak Denby enthusiastically joined the investment frenzy Over the next few months he listened raptly to bullish stock analysts dreamy hi tech gurus and boastful heads of companies He plunged into a season of mania and was swept forward on currents of hope greed and hucksterism with cataclysmic results American Sucker is a mesmerising account of those years of madness What begins as a money chase and an engagement with rampant capitalism soon becomes an encounter with such timeless issues as love envy true value and life and death itself This is a classic tale of the bubble related not by a market guru or an investment professional but by a witty perceptive and eloquent outsider

Book of New Sherlock Holmes Stories burst upon the scene featuring adventures set within the correct time period and written by many of today's leading Sherlockian authors from around the world. Those first three volumes were overwhelmingly received and there were soon calls for additional collections. Since then their popularity has only continued to grow. In Fall 2016 the series presented its first themed collection Part V Christmas Adventures containing 30 new adventures that proved to be extremely and enduringly popular. With that in mind we now revisit that season with 57 more Christmas Adventures ranging from a consequential case that occurred when Holmes was still a teenager to another in the late 1920s when Holmes in retirement was still at the top of his game. The fifty-seven stories in these three companion volumes are a thrilling mix of mysteries whatever the season. Some are directly involved with Christmas while others occur during and in around that season. These represent some of the finest new Holmesian storytelling to be found by the best pasticheurs and once again they honor the man described by Watson as the best and wisest whom I have ever known. 57 new traditional Holmes adventures in three simultaneously published volumes. The game is afoot. All royalties from this collection are being donated by the writers for the benefit of the preservation of Undershaw, one of the former homes of Sir
