The Field Day Anthology of Irish Writing Seamus Deane, Andrew Carpenter, Angela Bourke, Jonathan Williams, 1991

Israel/Palestine and the Politics of a Two-State Solution Thomas G. Mitchell, 2013-05-27 This is a dispassionate examination of the viability of a two state solution in the Israeli Palestinian conflict based on the politics of Israel Palestine and the United States It includes instructive case studies from South Africa in Namibia and the Irish claim to Northern Ireland The results of Israeli elections from 2001 to 2013 are analyzed with the conclusion that the Likud will be in any government coalition for at least the midterm future giving it a veto over policy A chapter examining the history and ideology of the secular right over the last 90 years follows There are three chapters of case studies the Likud withdrawal from the Sinai in 1979 1982 and from Gaza in 2005 the withdrawal of South Africa from Namibia in 1988 1989 and the dropping of Ireland's constitutional claim to Northern Ireland in 1998 under a Fianna Fail government the same party that wrote the constitution in 1937 A chapter examines Palestinian politics since the mandatory era and another the American Israeli alliance and American politics A concluding chapter draws lessons from the case studies and the analysis

argued in court those who dealt with the fallout and above all those who took the decisions Judges backgrounds and relationships their politics and temperaments as well as the internal tensions between them are vital to understanding how the court works and are explored here in fascinating detail The Supreme Court is both a riveting read and an important and revealing account of one of the most powerful institutions of our state Ruadhan Mac Cormaic is the former Legal Affairs Correspondent and Paris Correspondent of the Irish Times He is now the paper s Foreign Affairs Correspondent A History of Irish Autobiography Liam Harte,2018-03-01 A History of Irish Autobiography is the first ever critical survey of autobiographical self representation in Ireland from its recoverable beginnings to the twenty first century The book draws on a wealth of original scholarship by leading experts to provide an authoritative examination of autobiographical writing in the English and Irish languages Beginning with a comprehensive overview of autobiography theory and criticism in Ireland the History guides the reader through seventeen centuries of Irish achievement in autobiography a category that incorporates diverse literary forms from religious tracts and travelogues to letters diaries and online journals This ambitious book is rich in insight Chapters are structured around key subgenres themes texts and practitioners each featuring a guide to recommended further reading The volume s extensive coverage is complemented by a detailed chronology of Irish autobiography from the fifth century to the contemporary era the first of its kind to be published *Snakes and Ladders* Fergus Finlay,1998 Over the last twenty years or so Fergus Finlay has been a key participant in Irish politics This eagerly awaited memoir is full of political insights incidents and anecdotes about some of the most turbulent and eventful years in Irish politics r *Charlie Vs Garret* Eoin O'Malley,2025-09-18 The two opposing political figures that shaped Irish life in the 1980s and beyond In the 1980s Irish politics was dominated by a fierce rivalry between Charles J Haughey and Dr Garret FitzGerald both leaders of their respective parties Fianna F il and Fine Gael Between them they each led all Irish governments in that decade to say their two opposing personalities shaped Irish life during this era is an understatement Eoin O Malley has amassed an extraordinary body of research including in depth interviews with dozens of the most consequential public figures of the time every Taoiseach cabinet ministers TDs civil servants and advisers As political rivals with different approaches to public life and contrasting visions for Ireland each enshrined in quite different personalities the choice between Haughey and FitzGerald came to signify a great deal more than party loyalty or policy preference it felt like a choice between opposing worldviews And as O Malley s work finally makes clear through an accumulation of extraordinary insights including interviews with Haughey and FitzGerald themselves it was fed by a deep reservoir of personal insecurity and paranoia Each was deeply preoccupied obsessed even with the strengths appeal and threats of the other to the extent that this rivalry itself became one of the decisive factors in Irish life that shaped Ireland well after they had left power

Albert Reynolds Conor Lenihan,2021-09-01 In Albert Reynolds Risktaker for Peace Conor Lenihan takes the reader on a journey through the former Taoiseach s fascinating life From his early days in Roscommon Reynolds determination and hard

work saw him rise from a humble clerical job with Irish Rail to become one of Ireland's best known showbiz promoters But it is as creator of the template for peace on the island of Ireland that he deservedly will be best remembered Reynolds extraordinary progress from the cut throat world of business to local politics and ultimately government ministries was driven by the entrepreneurial spirit and impatience that became the hallmark of his success and his failure Appointed as Taoiseach in 1992 by 1994 he had been drummed out of office yet in that brief period he confounded his critics by fast tracking an end to the violence of the Troubles with the IRA and Loyalist ceasefires In the first complete biography of Reynolds former Minister of State Conor Lenihan delivers an insider's account that reveals the courageous personal risks Reynolds took to create the template for peace in Ireland and the highs and lows of a tempestuous risk taking life *Bertie Ahern: The Man Who Blew the Boom* Colm Keena, 2011-10-21 The fascinating story of the man who blew the boom Colm Keena the journalist who first broke the story of Bertie Ahern's finances gives us an in depth examination of the former Taoiseach's character his lust for power and his obsession with money Keena scrutinises the evidence produced by the Mahon Tribunal about Ahern's personal finances and his personal political machine and illustrates the lengths to which Ahern went in his effort to hide the truth about what he was up to Ahern's political career is re charted in the light of what we now know about his character Keena looks at how his desire for power existed alongside an almost complete absence of political conviction this lack of which left him open to the influence of those with strong opinions and did nothing to arrest his mismanagement of the Irish economy His lust for popularity brought Ireland from rude good health to economic disaster An historic opportunity was squandered but Bertie walked away from the wreckage with his wallet bulging His legacy the near destruction of a European economy and the collapse of one of the most successful political parties of the past hundred years

While the type of small political party in Ireland has varied their fate it seems has not Although some enjoy a brief time in the sun termination is the long term prospects for all minor parties The usual pattern is a speedy ascent an impact on the political system including a time in government followed by a prolonged termination This book examines this pattern of evolution for minor or small parties in Irish politics As the Irish state has changed so too have the types of parties that have emerged With the first time entry of the Greens into government in 2007 their wipeout in 2011 the termination of the Progressive Democrats in 2009 and the failure of a new party to emerge despite the on going financial crisis the time is ripe for this analysis Electoral competition in Ireland since 1987 Gary Murphy, 2016-04-30 This major new account of the politics of modern Ireland offers a rigorous analysis of the forces which shaped both how the Irish state governed itself from the period since 1987 and how it lost its economic sovereignty in 2010 **50 Dáil Debates that Shaped the Nation** John

Negotiating a Settlement in Northern Ireland, 1969-2019 John Coakley, Jennifer Todd, 2020-01-09 Negotiating a Settlement in Northern Ireland From Sunningdale to St Andrews uses original material from witness seminars elite interviews and archive documents to explore the shape taken by the Irish peace process and in particular to analyse the

manner in which successful stages of this were negotiated Northern Ireland's Good Friday Agreement of 1998 marked the end a 30 year conflict that had witnessed more than 3 000 deaths thousands of injuries catastrophic societal damage and large scale economic dislocation This book traces the roots of the Agreement over the decades stretching back to the Sunningdale conference of 1973 and extending up to at least the St Andrews Agreement of 2006 It describes the changing relationship between parties to the conflict nationalist and unionist groups within Northern Ireland and the Irish and British governments and identifies three dimensions of significant change new ways of implementing the concept of sovereignty growing acceptance of power sharing and the steady emergence of substantial equality in the socio economic cultural and political domains As well as placing this in the context of an extensive social science literature the book innovates by looking at the manner in which those most closely involved understood the process in which they were engaged The authors reproduce testimonies from witness seminars and interviews involving central actors including former prime ministers ministers senior officials and political advisors They conclude that the outcome was shaped by a distinctive interaction between the conscious planning of these elites and changing demographic and political realities that themselves were in a symbiotic way consequences of decisions made in earlier years They also note the extent to which this settlement has come under pressure from new notions of sovereignty implicit in the Brexit process
