*True Christian Manliness* Colin Swinton,2010-12 The Boys Brigade arrived in Southern Rhodesia in 1948 with initial efforts being very localised Momentum increased with the influx of post war immigrants from Britain and South Africa By the early 1970s The Boys Brigade Rhodesia was at its strongest numerically but the civil war years preceding independence in 1980 decimated the organisation in the rural areas especially in Victoria province where it was at its strongest The following years were particularly hard for The Boys Brigade but by the late 1980s membership was on the increase again The current political and economic situation has severely affected the organisation s ability to continue as it had in the past and the future of uniformed youth work in Zimbabwe remains unknown The achievements of The Boys Brigade are recorded in this book which has been meticulously researched in consultation with many past and present members The history book is a formal record of events which took place including detailed appendices of every known Company all the Queen s Badge and Founder s Badge awards and includes a photo gallery of past office bearers      *Mémoires du Muséum national d'histoire naturelle* ,1993      *The Rhodesian Librarian* ,1969
