them into a tragedy of conflict and a comedy of the absurd It gathers the saints and warriors and celebrates the stars whose wit enabled endurance in days of violence and deprivation With patience and respect Glassie describes life in a time and a place exactly like no other and yet Ballymenone is like a thousand other places where people work on the land during the day and tell their own tales at night forgotten while the men of power fill the newspapers and history books by sending poor boys out to be killed The Stars of Ballymenone is an integrated analysis of the complete repertoire of verbal art from a rural community where storytelling and singing of quality remained a part of daily life *Horses and Men; Tales, long and short, from our American life* Sherwood Anderson,2023-09-20
