The Software Encyclopedia 2000 Bowker Editorial Staff,2000-05 Behavior Modification Raymond G. Miltenberger,1997 With Miltenberger s Behavior Modification students first master the principles and concepts of behavior modification before they move on to the procedures This approach gives students a chance to understand why they are going through the procedures before they actually do them The author takes equal care with the content in presenting a precise step by step scientific approach to explain human behavior Numerous case studies help to illustrate the principles of behavior modification Theories of Human Learning Guy R. Lefrancois,Guy R. Lefrançois,1995 This book is the study of psychological learning theories with a twist Kongor a visitor from outer space presented for earthlings in the First Edition an account of the present state of earth knowledge about learning Now in the Third Edition Kongors cousin Kro has updated corrected polished and perfected the text with the help of his earthling host Lefran ois Essentially the book is a survey and interpretation of several of the important theories and findings in the psychology of learning It describes and evaluates behavioristic and cognitive theories looks at connectionism neural net models examines memory and motivation and concludes with an overall summary and synthesis The emphasis throughout is on clarity of presentation relevance of topics and maintenance of high interest hence the liberal use of practical illustrations and the occasional use of humor Lefran ois or Kro takes students on a delightful journey while they absorb and learn from the academic discussion Psych Online `97 Patricia M.
