Guilty with an Explanation Trevor Toop,2018-05-31 In a day when rules are being rewritten guilt has come up with a bad rap Many parents rush to emancipate their children from such troubling apprehensions and the results are telling This coming of age memoir traces the challenges of a fatherless boy growing up amidst the folly of his peers and the ever present predators who cannot be wished away Faced with the reality of evil the theological concept of Original Sin looms large This book is an observation that trouble often springs from circumstances that look pretty benign It s the prerequisite of every murder trial that accidents happen from a confluence of events and decisions that seem innocuous but end badly We who live in the world are wounded by the same evil that sociologists explain away Yet part of adulthood is the willingness to call things what they are When Jesus cast out demons he first asked their names because naming something is to see it clearly We must render verdicts Sound judgment is a forgotten virtue and failure to judge will leave us accountable to our children
