Storm Wings Becca Lusher,2018-10-07 Trouble covers the Overworld and the Rift Riders seem further from home than ever but there is hope in the darkness even if the road to recovery is long For the first time in more than a century dragons have returned to the human lands but their numbers are few and their welcome is difficult If Mhysra Lyrai and their friends were expecting a heroes welcome on their return they may have a long time to wait In the West Stirla and Derrain have their own troubles to deal with thanks to a determined princess and some foolhardy nobles Not to mention the opinions and intentions of their superiors And at Aquila Lord Yullik waits for the fight he knows will come Yet all the while an unseen threat moves in the shadows New dangers stir across the mountain but whether for good or evil only the gods of this cursed world can tell
