Babb, 2020-08-19 Earth is Ours a fresh and uniquely original story line bridges many genres A symbiotic relationship develops between a self aware female computer and an American Indian man dying of old age This is a forced relationship dictated by mutual needs for survival in a world stripped of technology by aliens The main characters begin the fight of their lives but before they can fight the fierce aliens Levi and Amy must fight for control of who they will be jointly What begins as conflict of minds develops into tolerance then cooperation and finally love This love of total oneness creates a unity of incredible power and strength that provides the means to fight the aliens Female brains and male brawn unite to battle against incredible odds for the survival of the human race The conflict of minds action adventure and suspense are all interlaced into a compelling and fast paced adventure The characters are three dimensional with real emotions not always

perfect but always interacting The story presented from differing viewpoints depict the two main characters as they convey some of the same events from both a male and female perspective As they interface the events are often seen from conflicting emotions and motivations sometimes cynical and often humorous It is the ultimate struggle of male versus female while combating monstrous aliens As expected this action story has a strong appeal to men while the romance aspect compliments the story expanding the appeal in women Additionally one of the main characters is Amy a particularly brilliant and forceful female who demands attention from both sexes Her male counterpart is very physical and masculine representing everything Amy is not Both characters and sexes are presented in a positive although conflicting way at times These characters and the story are strong and their saga continues in its sequel Target Earth **Maggie Blair book 1** Kingsley Roberts,2016-03-13

Plagued by a recurring dream Maggie Blair was shocked the night when she came face to face with the mysterious guardian she had seen only in her sleep Intuitive visions and spirits haunting her life had never been normal for the young psychic Unaware of a sinister cult s plot to kill her she survived an attack by a demon which revealed a powerful ability she never knew she possessed Despite the feelings for her irresistible boyfriend Maggie struggles with the growing desire for the incredibly handsome guardian Max After stringent training Maggie finally accepts her superhuman power and the responsibility as the Celestial Sworn to fight the malevolent forces that threaten to end humanity she becomes a force to be reckoned with Will the Celestial defeat her enemy or fall victim to the ancient demon The Lady Detective Robert H Fellows,2014-05-28 The story is timed around the early seventies and centers on an extremely rich and beautiful young lady of twenty two years of age who wishes to be a private investigator It tells how Jessica Felliosi with the help Chief Inspector Ross her friend will find there is more to this murder than at first thought in fact its a murder that has clearly baffled the police to solve so in order to obtain the evidence shell need to clear her name as she has found herself singled out as the murderer Shell need to expose the murderer and a clever and cunning national drugs organization So now her first task while shes out on bail for a crime she didnt commit and before she can become a private investigator will be to find out who the real killer is and solve the murder before her own trial for the murder of a man shed been accused of killing based on inconclusive evidence obtained by a police detective sergeant who has for no particular reason that she could think of taken a dislike to her With its various intrigues and complications this is in fact an old fashioned who done it murder mystery Its a light read with lots of tongue in cheek throwaway lines although for the young Jessica it certainly did have a certain how was it done mystery about it Hadagery Teresa Vanmeter, The world as Hadge knows it seems to unravel around him as the mystery of a strange book is thrust upon him along with what it really means to him and the survival of Elysium HADAGERY The book of Elysium has been opened and darkness will unfold bleeding upon the land like a plague WORLD CAST IN DARKNESS Elysium is the remnants of a dying world dimmed by evil and the ignorance of mankind SURVIVORS ARE BEING ISOLATED AND DEVoured Those that have survived the turmoil have devolved into scavengers even as their bodies have

his share of women Yet lust and desire are all he has given of himself until the day a beautiful green eyed vixen walked into his life and changed everything Skye Avalon daughter of a high ranking Irish member of the IRA can arouse passion in a man with just one look But as of yet she is as untouched as newly fallen snow When she is captivated by Miko at a charity ball her friend Tess discloses his secret profession and makes Skye swear not to tell anyone But Skye is not the only one who was bewitched that day As they become embroiled in a torrid romance Miko and Skye must attempt to survive seemingly insurmountable odds as their passionate journey leads them from the beautiful languid Greek Islands to the turbulent unrest in Ireland where mercenaries clash in a battle with the IRA a confrontation fueled by mens lust for power and the need to settle an old score Fiori Legend is a sizzling romance with a twist of wicked betrayal danger and deceit as a ruthless rogue mercenary finds unexpected love but must battle Irelands powerful IRA to survive and keep it The Divine Journey Jose Gomez,2018-03-15 The final trip we all must take Is it all so cut and dry Do only the good pass while the sinners perish in flames or is there more to it Could our brief time on Earth be all there is or is it only the beginning A young boy seeks the truth while being persued by The Darkness *THE SUMMER THE CIRCUS CAME TO TOWN* Diny Robinson,2025-09-08 Teacher Ivy Hill finishes the school year as the circus comes to town She learns it is returning after fifty years bringing with it a large mystery and is very surprised to find she is involved On her mother s death bed she promised to marry before she turned thirty Even that promise leads back to the circus An unstable leader of Organized crime has been chased out of Las Vegas and settles in her area At her dismay he falls in love with her putting her quest for answers in jeopardy Escaping her own murder sets her up with romance and being able to keep the promise made to her mother **Inevitable Uncertainty** Isaac Hill Sr.,2015-03-06 Is the worst yet to come or will there be a darkness that precedes the dawn as everyone awaits the last days And can it be possible that the last days are the new beginning of what is truly marvelous and worth every struggle both real and imaginary This matter of inevitable uncertainty is a lifelong challenge that will not yield to the intentions of the best plans One must endure its magnitude with boldness and faith that is nurtured in the mind and deposited into the heart where every beat pounds it into submission to indomitable will lest despair direct one to an insignifi cant fate I believe One must proclaim and then prophesy to the horizon whether it forebodes malady or casts a sweet allurement I will One must proclaim in spite of dissenters who prove to be great fair weather company along for the ride And one must pray that one will survive through the foolish measures of their own unbridled bravery while the course through the unknown looms as an undefeatable giant No time is wasted for every step forward is progress and every resting place is a recharge every fall is a chance to rise again Surely the demons will howl when the moon rises and the day vultures will soar in the midst of the trial which hardens your resolve and you shall laugh when your victory shuts their mouths And those who laugh last laughs best
