

The background of the slide is a scenic landscape. In the foreground, there is a dark silhouette of a forest. Behind it, a range of mountains is visible, with the peaks softened by a light haze. The sky is filled with soft, horizontal clouds, and the sun is low on the horizon, creating a warm, golden glow. Several birds are seen in flight against the sky. The overall mood is serene and contemplative.

**So You're Saved, What's Next?** Marylina Green,2025-06-26 A person gets saved and starts looking around thinking What do I do now Where do I start They get so overwhelmed with decisions what to read first what to do what not to do only to get pulled back into the world and the way the world thinks and does things When you don t know that much about Jesus and what is expected of you or what you think is expected of you you want to start doing things on your own This book shows how God showed the author step by step what she needed to do to

manage in this world and it is an ongoing life lesson to be the conqueror she kept hearing others talk about This digs down deep into who you are and what you have in Christ Jesus in simple short devotions getting more intricate in His Word and falling more in love with Him as the God of this universe but also the God that loves you personally This book could be called a life application devotional Some of what was put in it was from the author s experiences and how God showed her how to handle it After all isn t that what needs to come next How to handle life s ups and downs and knowing the Savior that will be right there with you through it all Find out how she learned to truly forgive to hear the Holy Spirit to make decisions along with the authority we have through Jesus Find the little nuggets of revelation from different preachers teachers prophets and so many men and women of God that this author has studied and start to be rich in the knowledge of God It will make you want to know Him more and more You are never too old nor too late to start your quest to know God *New Every Morning.* David A. Bolaji,2020-12-14 This book is a daily devotional prayers and uplifting messages inspired by the ways and life of our Lord Jesus Christ His prayer life and ministry most especially in the book of Mark which said Very early in the morning while it was still dark Jesus got up left the house and went off to a solitary place where he prayed Mark 1 35 This book has been put together and designed to help all believers out there I understand we all keep a busy schedule in our daily lives but still no matter how busy we might seem to be we should not be too busy to pray for it is said that a busy life makes prayer life hard but a prayerful man makes a busy life easier God is always expecting to hear from us to give us new word as we seek Him each day for as a good father loves to talk to his children so also God loves to talk to His children Having said that with the help of God we have been able to put together this book to help believers keep God first in our daily lives by reading one page per day to pray and commit our day unto God s hand My prayer is that we receive word from God each day as we read and pray in Jesus name Amen **The Noise of Time** Julian Barnes,2016-05-10 From the bestselling Booker Prize winning author of *The Sense of an Ending* comes an extraordinary fictional portrait of the relentlessly fascinating Russian musician and composer Dmitri Shostakovich and a stunning meditation on the meaning of art and its place in society Brilliant As elegantly constructed as a concerto NPR 1936 Dmitri Shostakovich just thirty years old reckons with the first of three conversations with power that will irrevocably shape his life Stalin hitherto a distant figure has suddenly denounced the young composer s latest opera Certain he will be exiled to Siberia or more likely shot dead on the spot Shostakovich reflects on his predicament his personal history his parents his daughter all of those hanging in the balance of his fate And though a stroke of luck prevents him from becoming yet another casualty of the Great Terror he will twice more be swept up by the forces of despotism coerced into praising the Soviet state at a cultural conference in New York in 1948 and finally bullied into joining the Party in 1960 All the while he is compelled to constantly weigh the specter of power against the integrity of his music *Renewal Worship* Steven Félix-Jäger,2022-09-06 Theologian Steven Félix Jäger offers a theology of renewal worship including its biblical foundations how its global nature is expressed in particular localities and how charismatic
